2. **TERMS OF INTERIM OCCUPANCY**

- (a) If the Residential Unit is substantially completed sufficient to permit occupancy on the Occupancy Date, the Purchaser shall occupy the Residential Unit on the Occupancy Date. The Purchaser shall determine from the Vendor the time of day when the Purchaser may move into the Residential Unit.
- (b) The Act provides that the rate of interest prescribed in the Act is the rate that the Bank of Canada has most recently reported as the chartered bank administered interest rate for a conventional one-year mortgage, established or determined as of the first day of the month in which the Purchaser assumes (or is required to assume) interim occupancy of the Residential Unit. However, for ease of administration, the Vendor shall be entitled to utilize the Bank of Canada's reported chartered bank administered interest rate for a conventional one-year mortgage, established as of the first of the month immediately preceding the month in which the first interim occupancy occurs in the Condominium, and which interest rate figure may be utilized for calculating the interest component of the Occupancy Fee. All occupancy fees so paid by the Purchaser shall be re-adjusted between the parties hereto on the Closing Date, if necessary, for any variance or discrepancy between the prescribed rate of interest and the rate of interest utilized by the Vendor as

aforsaid. The common expense component of the Occupancy Fee shall also be re-adjusted on the Closing Date, if necessary, between the projected monthly common expense contributions, and the final monthly common expense contributions attributable to the Property as set out in or confirmed by the final first year budget statement in respect of the Condominium. In accordance with the Act, the realty tax component of the Occupancy Fee shall be re-adjusted between the parties hereto after the Closing Date once the final realty taxes, and any omitted assessments, assessed against the Property (together with any supplementary taxes for the balance of the calendar year in which the Closing Date has occurred) have been finally established by the Municipality. The re-adjustment with respect to the realty tax component of the Occupancy Fee shall occur within ninety (90) days following the receipt of the final and all applicable supplementary realty tax bills, and any omitted assessments, issued in respect of the Property. To facilitate such lastmentioned re-adjustment, the Purchaser shall forthwith deliver to the Vendor copies of the final and all supplementary realty tax bills, and any omitted assessments, issued for the balance of the calendar year in which the Closing Date has occurred forthwith after receipt thereof. The Purchaser shall effect and complete any re-adjustment with the Vendor (whether with respect to any of the components of the Occupancy Fee or otherwise) within thirty (30) days of being requested to do so by the Vendor. Notwithstanding Section 17 of the *Assessment Act*, as amended, the Purchaser agrees that he/she is responsible for all realty taxes commencing from the Occupancy Date and shall reimburse the Vendor on demand for any such realty taxes, including any omitted assessments.

- (c) The Purchaser acknowledges that the Occupancy Fee shall not be credited by the Vendor as part of or as payment against the Purchase Price and shall not be considered as a deposit against the Purchase Price. The Purchaser shall, on or before taking possession of the Residential Unit deliver to the Vendor: (i) a series of twelve (12) months of post-dated cheques as required by the Vendor to cover the Occupancy Fees; (ii) a certified cheque or a bank draft for the prorated Occupancy Fee period between the Occupancy Date and the end of the month in which the Occupancy Date occurs; and (iii) any and all other documents required by the Vendor.
- (d) The Purchaser acknowledges and agrees that the issuance of either a Consultant's certificate of substantial completion or such other confirmation that the Property has met the Governmental Authorities minimum standards for occupancy shall, subject to the provisions of Section 9 of the *Tarion Addendum*, constitute complete and absolute acceptance by the Purchaser of all construction matters, and the quality and sufficiency thereof.
- (e) The Vendor shall indemnify the Purchaser against any liability for any lien claims which are the responsibility of the Vendor, its trades and/or suppliers in full satisfaction of the Purchaser's rights under the *Construction Act*, R.S.O. 1990, and any amendments thereto, and the Purchaser shall not claim any lien holdback, notwithstanding that the Vendor has not fully completed the Property or the common elements.
- (f) Notwithstanding what is contained in paragraph 2 (a) above, at the sole discretion of the Vendor, the Purchaser may not be allowed to occupy the Residential Unit until the occupancy requirements of any relevant Governmental Authority have been complied with and, if the Purchaser shall occupy the Residential Unit prior to the compliance of the aforesaid occupancy requirements, the Purchaser shall indemnify the Vendor for any costs, charges or penalties payable by, or claimed against, the Vendor as a result thereof.
- (g) Notwithstanding the occupancy of the Residential Unit and the delivery of title thereto, the Vendor or any person authorized by it shall be entitled at all reasonable times, (except in the case of an emergency or perceived emergency, in which event the Vendor shall have immediate entry into the Property) to enter the Property in order to make inspections or to do any work or repairs therein or thereon which may be deemed necessary by the Vendor in connection with the completion, rectification or servicing of any installation in the Property and such right shall be in addition to any rights and easements created under the Act.
- (h) The Purchaser covenants and agrees that, if required by the Vendor, it shall enter into such form of utility supply and services agreement with utility monitor(s) and/or utility provider(s) selected by the Vendor or declarant or affiliate (the "**Utility Monitor**") in the form required by the Utility Monitor, which may be a requirement of the Vendor's obligation to provide occupancy of the Residential Unit to the Purchaser or a pre-condition to Closing, such date to be at the sole and absolute discretion of the Vendor. Furthermore, the Purchaser acknowledges that such agreement may require the Purchaser to deliver a security deposit to the Utility Monitor prior to the Occupancy Date or the Closing Date, the determination of which date to be at the Vendor's sole and absolute discretion, and the Purchaser agrees to deliver such security deposit to the Vendor on the Occupancy Date or the Closing Date, at the Vendor's sole and absolute discretion.
- (i) In the event the Purchaser does not notify the Vendor or the Vendor's Solicitor, in writing, of the name, address, phone number and telefax number of the Purchaser's retained solicitor, within 15 days of the Date of Acceptance, then the Purchaser shall be obliged to pay to the Vendor's Solicitors (or correspondingly reimburse the Vendor on the Occupancy Date or Closing Date, as the case may be) for all additional legal fees and ancillary disbursements (including without limitation, all additional photocopying and delivery charges) which may be incurred by the Vendor or charged by the Vendor's Solicitors in order to prepare and deliver an interim or final closing package to the Purchaser initially (and/or to thereafter subsequently prepare and deliver another interim or final closing package to the Purchaser's solicitor) with the Vendor's Solicitor's legal fees for implementing same being a minimum of \$250.00 plus HST, for each additional interim or final closing package, and with such fees being subject to increase, from time to time, without any requirement or obligation to notify the Purchaser of same prior to closing. If the Purchaser notifies the Vendor or the Vendor's Solicitors of a change in the Purchaser's Solicitors (i.e., the Purchaser retaining a different lawyer) after the interim closing or final package (as the case may be) has already been prepared for the original Purchaser's solicitor, then the Purchaser shall likewise be obliged to pay a minimum of \$250.00 plus HST, to the Vendor or the Vendor's Solicitors in order to reimburse the Vendor for its legal fees incurred in preparing a second interim closing or final closing package for the subsequent Purchaser's solicitor. All such required payments shall be made by certified cheque to the Vendor's Solicitors and paid on the Occupancy Date or the Closing Date (as the case may be).
- (j) The Purchaser covenants, acknowledges and agrees that during the Interim Occupancy Period, the Purchaser shall not be entitled to make any alterations or additions to the Property, or to install any construction changes, finishes or items to the Property without the prior written consent to the Vendor, which consent may be unreasonably withheld or delayed.
- (k) The Purchaser covenants and agrees that it shall enter into any utility services or similar agreement with any utility provider(s) in the form required by such utility provider(s) and, in addition, execute any documentation required by the provider(s) of the Rental Property which may be a requirement of the Vendor's obligation to provide occupancy of the Residential Unit to the Purchaser.

3. **TITLE**

- (a) The Vendor shall not be obligated to obtain or register on title to the Property a release of any of the Permitted Encumbrances, nor shall the Vendor be obliged to remove any of the Permitted Encumbrances, and the Purchaser shall satisfy himself or herself as to compliance therewith. If there are any outstanding work orders pertaining to the Condominium on either of the Occupancy Date or the Closing Date, the Vendor shall take reasonable steps, within its discretion, to assure any relevant Governmental Authority that such outstanding work will be attended to and, notwithstanding the existence of such notice or work orders, the Purchaser shall complete this transaction and accept the Vendor's undertaking to rectify and/or repair any work which is the subject of such outstanding work orders within a reasonable time thereafter.
- (b) If the Property is encumbered by one or more mortgages, charges, debentures or trust deeds in favour of a Mortgagee that are not to be assumed by the Purchaser, the Purchaser shall accept the Vendor's written undertaking to discharge the same from title within a reasonable time after the Closing Date, provided such undertaking of the Vendor is accompanied by a written statement from the Mortgagee confirming the amount required to be paid to obtain a discharge with respect to the Property, a direction from the Vendor directing payment of the amount specified by such Mortgagee, and an undertaking of the Vendor's Solicitors to register such discharge as and when received.

- (c) The Purchaser shall execute all documents, without payment by the Vendor which may be reasonably required in order to convey or confirm the Permitted Encumbrances and shall, if required by the Vendor, extract a similar covenant in any agreement entered into with any subsequent purchaser.
- (d) This Agreement shall be subordinated to and postponed to any mortgages on the Lands arranged by the Vendor and any advances made thereunder from time to time.
- (e) This Agreement is personal to the Purchaser, and does not create an interest in, or a right to a lien against the Property, the Building and/or the Lands. The Purchaser shall not register, or cause to be registered on title, notice of this Agreement nor any notice thereof, nor any caution with respect thereto, nor any certificate of pending litigation or other similar court process, nor shall the Purchaser give, register or permit to be registered any encumbrance against the Lands or sell, encumber or make any other disposition of the Property, until after the Closing Date. Without limiting the generality of the foregoing, the Purchaser on his or her behalf and for his or her assigns and successors, further agrees that neither the Purchaser nor his or her assigns and successors shall be entitled to register against the title of the Lands or Property any of the documents referred to above either before or after the Closing in order to secure a purchaser's lien and/or a right to specific performance, even if there is a default or breach in this Agreement by the Vendor. The Purchaser and his or her assigns and successors hereby elect to pursue any remedy they may have against the Vendor as a claim for damages only, and not specific performance, and further waive any right to a purchaser's lien against title to the Lands and Property.
- (f) The deed/transfer of the Property may contain the covenants and restrictions referred to in this Agreement. The Purchaser hereby shall abide by such covenants and restrictions after the Closing Date, and, if the Vendor so requires, the Purchaser shall exact similar covenants and restrictions from any immediate successors in title to the Property, all of which shall be assigned to and for the benefit of the Vendor.

Without limiting the generality of the foregoing, the Purchaser agrees that if any contemplated and/or required rights of way, easements, licences or leases have not been determined or registered on the Closing Date, then:

- (i) the transfer of the Property to the Purchaser may contain a covenant by the Purchaser personally and for his or her successors and assigns to grant any additional easements, rights of way, licences or leases as may be required by the Vendor, declarant, developer or any municipal or governmental authority, utility or agency;
- (ii) the Purchaser personally and for his or her successors and assigns shall be obliged to grant such easements, rights of way, licences and easements even if there is no covenant to do so in the transfer;
- (iii) the Purchaser shall execute all documents without charge which may be required to convey or confirm any such easements, rights of way, licences and/or leases; and,
- (iv) the Purchaser shall obtain a similar covenant in any purchase agreement entered into between the Purchaser and any subsequent purchaser, whether or not the covenant is in the transfer given to the Purchaser on the Closing Date.

4. **REQUISITIONS**

Provided that the title to the Property is good and free from all encumbrances, except the Permitted Encumbrances and save as otherwise set out in this Agreement, the Vendor shall notify the Purchaser or the Purchaser's Solicitors within a reasonable period of time after the registration of the Condominium Documents (the "**Notification Date**") and the Purchaser is to be allowed ten (10) days after the Notification Date to examine the title to the Property at his/her own expense, and shall not call for the production of any surveys, title deeds, abstracts of title, grading certificates, occupancy permits or certificates, nor any other proof or evidence of the title or occupiability of the Property. If within the aforementioned time period the Purchaser furnishes the Vendor in writing with any valid objection to title which the Vendor shall be unable or unwilling to remove, or which is not capable of being covered by title insurance at the Purchaser's cost, and which the Purchaser will not waive, then this Agreement shall, notwithstanding any intervening acts or negotiations, be null and void, and all deposit monies theretofore paid shall be returned to the Purchaser with interest, from the date of termination, at the rate prescribed under the Act, save for deductions for any extras ordered by the Purchaser from the Vendor and then unpaid and a reasonable sum for the cost of repairing and cleaning the Property as a result of the Purchaser occupying the Property during the Interim Occupancy Period, and the Vendor shall have no further liability or obligation hereunder and shall not be liable for any costs or damages thereby. Save as to any valid objection so made within such time, the Purchaser shall be conclusively deemed to have accepted the title to the Property. Notwithstanding anything contained in this Agreement or in the Act or any other applicable legislation, where any encumbrance is registered on title and a discharge, or release thereof is tendered for registration, the same shall be deemed to have been discharged for all purposes on acceptance for registration, notwithstanding that the relevant registers have not yet been certified to reflect such registration. The Purchaser acknowledges that the Vendor may respond to requisitions by a standard title memo or title insurance binder (if the Vendor elects to provide title insurance) and the same shall be deemed to be a satisfactory manner of response.

Notwithstanding anything herein contained and notwithstanding the provisions of the Act or any successor legislation, or of the *Land Titles Act* (Ontario), R.S.O. 1990 (the "**LTA**") and any amendments thereto, or any successor legislation, where any mortgages, charges, debentures or trust deeds are registered on title and where discharges, cessations, partial discharges or partial cessations are tendered for registration in the appropriate Land Registry Office, such mortgages, charges, debentures or trust deeds shall be deemed to be discharged for all purposes once the discharges, cessations, partial discharges or partial cessations have been accepted for registration, notwithstanding that the parcel register or the condominium register has not been signed to reflect such registration and notwithstanding any statutory terms to the contrary as contained in the LTA, as amended and any successor legislation or the Act or any successor legislation.

5. **TENDER**

- (a) Any tender of documents or monies hereunder may be made on the Vendor or the Purchaser, or upon their respective solicitors, and money shall be tendered by negotiable cheque certified by a Canadian chartered bank, a Canadian trust company or by electronic transfer of funds.
- (b) Any tender that can be made on the Occupancy Date shall be by attendance or delivery at the Vendor's Solicitors' office between the hours of 10:00 a.m. and 12:00 p.m. or between the hours of 2:00 p.m. and 4:00 p.m., on no less than one (1) hour's advance written notice. Under no circumstances shall the Vendor's Solicitors be obliged to tender at the offices of the Purchaser's Solicitors. If at any time prior to the Occupancy Date and/or the Closing Date, the Purchaser or his or her solicitor states in writing:
 - (i) to the Vendor; or
 - (ii) to the Vendor's agent; or
 - (iii) to a solicitor or employee of the Vendor's Solicitors,

that the Purchaser is unable or unwilling to complete the sale, then the Vendor or the Vendor's Solicitors may terminate this Agreement with liability to the Purchaser and the Vendor is relieved of any obligation to make any tender, or to complete construction of the Property. The written statement by the Purchaser or his or her solicitor of an unwillingness or inability to close during a negotiation or within a written offer (even if purportedly or actually made without prejudice) is deemed

nevertheless to be a "with prejudice" submission of an inability or unwillingness to close for the purposes of this Agreement.

- (c) The Teraview Electronic Registration System ("TERS") is operative in respect of the Lands, the Purchaser shall be obliged to retain a solicitor who is both an authorized TERS user and in good standing with the Law Society of Upper Canada, and shall authorize such solicitor to enter into the Vendor's Solicitors' standard form of escrow closing agreement (the "DRA"), establishing the procedures and timing for completing this transaction, to be delivered by the Vendor's Solicitors to the Purchaser's Solicitors no later than 5 days prior to the Closing Date. The delivery and exchange of documents and monies shall not occur contemporaneously with the registration of the transfer/deed but shall be governed by the DRA.

The Vendor may choose to, in the case of funds to be delivered by the Purchaser, have the same occur electronically, through any electronic funds transfer system designated by the Vendor or the Vendor's Solicitors, and in such case:

- (i) the Purchaser acknowledges and agrees that the Purchaser or the Purchaser's Solicitor will not in any circumstances be permitted to deposit funds to the Vendor's or the Vendor's Solicitors bank account;
- (ii) the Purchaser and or the Purchaser's Solicitor shall execute such documents as the Vendor or the Vendor's Solicitors may require in connection therewith;
- (iii) the Purchaser shall pay as an adjustment on Closing or to the Vendor's Solicitors as the Vendor may require, any fee incurred by the Vendor or the Vendor's Solicitors in connection therewith, including all applicable bank wire transfer fees and any fees charged by any electronic funds transfer provider; and
- (iv) the Purchaser's Solicitor shall be registered with such provider and at the request of the Vendor's Solicitors shall provide evidence of such registration to the Vendor's Solicitors at least ten (10) days prior to Closing.

The Purchaser shall not be entitled to receive a transfer/deed to the Property until all of the Purchaser's requisite closing documents are delivered to the Vendor's Solicitors and the balance of funds due on Closing are either remitted by certified cheque or by electronic funds transfer. An effective tender shall be deemed to have been validly made upon the Purchaser without the necessity of personally attending upon the Purchaser or the Purchaser's Solicitors when the Vendor's Solicitors have:

- (i) delivered all of the Vendor's closing documents in accordance with the DRA, it being acknowledged by the Purchaser that keys to the Property shall be released directly from the sales office or the construction site office or management office and the Vendor shall not otherwise be required to produce or deliver the same;
- (ii) advised the Purchaser's solicitor, in writing, that the Vendor is ready, willing and able to complete the transaction in accordance with the terms and provisions of this Agreement; and,
- (iii) completed all steps required by TERS to give the Purchaser's solicitors access to the "in preparation" transfer for the Property in order to complete the transaction that can be performed by the Vendor's Solicitors without the co-operation or participation of the Purchaser's Solicitors.

The Purchaser acknowledges and agrees that the Purchaser or the Purchaser Solicitor will not in any circumstances be permitted to directly deposit funds to the Vendor's or the Vendor's Solicitor's bank account.

6. ADJUSTMENTS

- (a) Unused Occupancy Fees for the Interim Occupancy Period, all utility costs including electricity, gas and water (unless included as part of the common expenses or payable by the Purchaser during the Interim Occupancy Period), realty taxes (including any local improvement rates), interest on the unpaid balance of the Purchase Price and common expense contributions, attributable to the Property, shall be apportioned and allowed to the Closing Date, with that day itself to be apportioned to the Purchaser.
- (b) The Purchaser shall provide the Vendor on Closing with twelve (12) monthly post-dated cheques payable to the Condominium Corporation for common expense contributions for the one year period following the Closing Date or, alternatively, and in lieu of the provision afore-referenced twelve (12) monthly post-dated cheques, the Vendor shall be entitled to require the Purchaser to complete all requisite account information in, and correspondingly execute and deliver to the Vendor's Solicitors on or before the Closing Date, a pre-authorized cheque plan form prepared by the Vendor's Solicitors or by the Vendor directly for the payment of all common expenses hereafter due or owing to the Condominium in respect of the Property from time to time, accompanied by an unsigned cheque marked "VOID" from the Purchaser's bank account on which all such common expense payments shall be drawn or deducted.
- (c) At the Vendor's option, realty taxes shall be adjusted as if the Condominium had been fully completed and separately assessed (including any supplementary assessment with respect thereto), notwithstanding that same may not have been levied, assessed and/or paid by the Closing Date, and such realty tax adjustment shall be subject to re-adjustment as and when the actual final assessment for the Property is available. In addition, the Purchaser shall, on the Closing Date, pay and/or reimburse the Vendor proportionately for any realty taxes required to be paid by the Vendor to the Municipality for the balance of the year in which the Closing Date occurs or the succeeding year after Closing.
- (d) The Purchaser shall also pay to the Vendor on the Closing Date, together with all HST payable in connection therewith:
- (i) the sum of \$840.00 as reimbursement for the cost of supply and installation of the water, gas and hydro-electric check or consumption meter installation connected to the residential unit; and
 - (ii) the amount of the enrolment fee for the Property payable pursuant to the Plan Act as well as the HCRA regulatory oversight fee and HCRA licensing fee, and any other fees and charges which may be implemented, from time to time, pursuant to the Plan Act and/or HCRA.
- (e) An administration fee of \$500.00 plus HST shall be charged to the Purchaser for any cheque delivered to the Vendor and returned by the Vendor's bank.
- (f) If the Purchaser desires to increase the amount to be paid on the Occupancy Date at any time on or after that date that is sixty (60) days prior to the Occupancy Date, or wishes to vary the manner in which the Purchaser has previously requested or indicated by execution of this Agreement to take title to the Property, or wishes to add or change any units being acquired from the Vendor, then the Purchaser hereby covenants and agrees to pay to the Vendor's Solicitors the legal fees and/or disbursements incurred by the Vendor (which shall be in the minimum amount of \$250.00 plus HST) in order to implement any of the foregoing changes but without there being any obligation on the part of the Vendor to approve of, or to implement, any of the changes so requested.
- (g) The Purchaser shall provide the Vendor on the Closing Date a security deposit payable to the Condominium, or Utility Monitor, equal to three (3) months of estimated electricity, water (hot and cold) and, if applicable, gas consumption, and shall pay for all such consumption commencing from the Occupancy Date. In an effort to facilitate payment to the Condominium or Utility Monitor for the cost of utility consumption (including the Utility Monitor's monthly administration fee to be set out in the utility monitoring agreement with the Utility Monitor) the Purchaser shall execute and deliver to the Vendor's Solicitors on or before the earlier of the Occupancy

Date or the date that the Purchaser first occupies the Residential Unit, any agreement required to be entered into with the Utility Monitor and any authorization form for a pre-authorized payment plan for the Vendor's or Utility Monitor's charges (in the form provided to the Purchaser's Solicitors by the Vendor's Solicitors) accompanied by an unsigned cheque marked "VOID" from the bank account to be used for making all such payments to the Condominium or Utility Monitor as appropriate.

- (h) The Purchase Price includes all development charges, levies and similar imposts existing up to and including November 12, 2020 (the "**Existing Charges**"). The Purchaser acknowledges and agrees that it is obliged to pay and/or reimburse the Vendor for the amount of any levy, charge, park land contribution, community benefit charge, development charge, education development charge, by-law or levy and charges, plus HST, as same may be amended (including, but without limitation, any increase, directly or indirectly, through indexing) and/or increase in the Existing Charges (collectively, the "**Increase**") which occurs following November 12, 2020, by certified cheque from a Schedule I Canadian Chartered Bank or from the Purchaser's Solicitors' trust account on the Closing Date.

Any development charge rebates, credits or other reimbursements or reductions of levies, imposts or fees paid or credited to the Vendor from any source whatsoever shall be for the sole account of the Vendor and shall not be the basis for and shall not give rise to any right to readjustment, abatement or reduction of the Purchase Price or any claim by the Purchaser of any kind whatsoever. Increases to levies and imposition of new levies remain at all times subject to this Section 6(h).

- (i) In the event the Residential Unit includes Rental Property which would remain the property of the appropriate provider or other supplier of such items then, in such event, the Purchaser shall pay the monthly rental/lease charges assessed with respect thereto from and after the Occupancy Date and shall execute all requisite documentation in connection therewith without limiting any of the other provisions of this Agreement.
- (j) The Purchaser shall pay, on the Closing Date, a contribution to the reserve fund of the Condominium which will be equal to an amount of three (3) months common expenses for the Condominium.
- (k) The Purchaser shall pay to the Vendor an amount of \$50.00 plus HST for each and every copy of this Agreement and/or the Condominium Documents beyond the first copy provided to the Purchaser. Such amount shall be due at the time of the request and prior to delivery of the documents to be copied.
- (l) From and following the Occupancy Date, the Purchaser shall pay the charges and any administration fees and taxes under any bulk internet and smart home agreements pertaining to the Residential Unit. In addition, the Purchaser shall execute all documents which may be required by the service providers, or the Vendor, in connection with these Agreements on or prior to the Occupancy Date.
- (m) The Purchaser shall pay to the Vendor, on the Closing Date, the sum of \$75.00 plus HST, for each payment tendered under this Agreement including any payment by cash, cheque or otherwise for deposits, upgrades or any other monies paid on account of the purchase price up to, but not including, the Closing Date, representing a reasonable reimbursement to the Vendor of the cost incurred or to be incurred by the Vendor in fulfilment of the requirements of Subsection 81(6) of the Act.

The parties acknowledge and agree that, as part of and included in the Purchase Price herein, the Vendor has or will pay on behalf of the Purchaser, all taxes, levies, imposts, building permit fees (for permit obtained on behalf of the Purchaser), and all applicable development charges including education development charges applicable to the Property and/or the Lands. The parties acknowledge and agree that these amounts may be shown separately in the statement of adjustments to be delivered to the Purchaser prior to Closing.

Any reference to "Vendor" in this paragraph, as it pertains to payment and/or reimbursement of items in this paragraph, shall include the declarant and a related or affiliated entity of the Vendor or declarant.

Notwithstanding any other provision herein contained in this Agreement, the Purchaser acknowledges and agrees that the Purchase Price does not include any HST exigible with respect to any of the adjustments payable by the Purchaser pursuant to this Agreement (unless otherwise stated), or any extras or upgrades purchased, ordered or chosen by the Purchaser from the Vendor which are not specifically set forth in this Agreement, and the Purchaser covenants and agrees to pay such HST to the Vendor in accordance with the ETA. In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of extras, changes, upgrades or adjustments and as a result of such increase, the quantum of the Rebate (hereinafter defined) that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the "**Reduction**") then the Purchaser shall pay to the Vendor on the Closing Date (as determined by the Vendor in its sole discretion) the Reduction.

7. FINANCIAL INFORMATION

The Purchaser covenants and agrees to provide: (i) credit information so as to establish the ability of the Purchaser to perform his/her obligations hereunder within 10 days of the Date of Acceptance of this Agreement; (ii) within five (5) days after the Vendor's request, credit information required by the Vendor so as to establish the continuing ability of the Purchaser to perform his or her obligations hereunder; and (iii) within fifteen (15) days of the Date of Acceptance, the name and contact information of the lawyer representing the Purchaser in this transaction. The Purchaser is hereby notified that a consumer's report containing credit and personal information may be obtained and referred to at any time in connection with this transaction and the Purchaser hereby consents to such report being obtained by the Vendor and/or any Mortgagee. If the Purchaser has not provided the aforesaid credit and lawyer information within the aforesaid time period, the Purchaser may be deemed to be in default under this Agreement.

The Purchaser shall, prior to the expiration of the condition period provided for under the Tarion Addendum, if any (the "**Purchaser Financing Condition**") produce evidence of a satisfactory mortgage commitment signed by a lending institution or other mortgagee acceptable to the Vendor, confirming that the said lending institution or acceptable mortgagee will be advancing funds to the Purchaser sufficient to pay the balance due on Closing (the "**Commitment**"). The Purchaser, by executing this Agreement hereby irrevocably authorizes and directs any proposed Lender to release to the Vendor, at such times as the Vendor may request, all information and documentation in the Lender's possession and control respecting the Commitment and the Purchaser further agrees to provide the Lender with the necessary additional authority to provide such information to the Vendor, if such additional authority is required, without exception. If the Purchaser does not intend to rely upon mortgage funds to complete the subject transaction then the Purchaser shall provide a letter from their bank or solicitor satisfactory to the Vendor, in its sole, subjective and absolute discretion, confirming the Purchaser's ability to complete this transaction.

In addition, if required, the Purchaser shall execute an irrevocable direction acceptable to the Vendor as to form and substance whereby the Purchaser directs such lending institution to pay the net proceeds of all advances pursuant to the Commitment directly to the Vendor or as the Vendor may direct. The Vendor may, in its sole discretion, elect to accept in the place of such Commitment, other evidence satisfactory to the Vendor that the Purchaser will have available sufficient funds to pay the balance due on Closing. If the Purchaser fails to provide the Commitment as aforesaid on or before the expiry of the Purchaser Financing Condition, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in the Agreement and/or at law. If the Vendor, in its reasonable discretion, determines that the Commitment or other evidence submitted by the Purchaser does not demonstrate a reasonable financial ability to complete the transaction, the Vendor may elect, in its sole, subjective and absolute discretion, that rather than terminate this Agreement additional deposits shall be payable by the Purchaser at such times and in such amounts indicated by the Vendor, in its sole, subjective and absolute discretion, provided that such further deposits total no more than an additional 10% of the Purchase Price.

8. **PLANNING ACT COMPLIANCE AND CONDOMINIUM REGISTRATION CONDITIONS**

This Agreement (and the completion of this transaction) shall be conditional upon compliance with the subdivision control and part lot control provisions of the *Planning Act* R.S.O. 1990, as amended, and the concomitant registration of this Condominium under the Act, which compliance and condominium registration shall be obtained by the Vendor at its sole cost, failing which (in the absence of any extension of the Closing established or implemented by the Vendor pursuant to and in accordance with the provisions of the Tarion Addendum) this Agreement shall automatically be terminated and have no further force and effect, and the Vendor and the Purchaser shall have no further liabilities or obligations hereunder, and neither of the parties hereto shall thereafter be liable to the other for any costs and/or damages that may be suffered or incurred by them in connection with this Agreement or the termination thereof as a result of any such non-registration of the Condominium, save and except for any delay of closing compensation that may be payable by the Vendor to the Purchaser in connection therewith pursuant to the provisions of the Tarion Addendum and except for any damage to the Residential Unit by the Purchaser during the Interim Occupancy Period. Upon such termination all deposits paid towards the Purchase Price shall be refunded to the Purchaser, together with all interest earned and accrued thereof at the rate prescribed by the Act and save for any deduction for the costs or price of any extras ordered by the Purchaser and as yet unpaid or any damage to the Residential Unit.

9. **PURCHASER'S SALE OR ASSIGNMENT**

The Purchaser covenants not to list for sale or lease, enter into any offer to sell or lease, advertise for sale or lease, sell or lease, nor in any way assign his or her interest under this Agreement, or in the Property, nor directly or indirectly permit any third party to list or advertise the Property for sale or lease, at any time until after the Closing Date, without the prior written consent of the Vendor, which consent may be arbitrarily withheld. The Purchaser acknowledges and agrees that the Vendor may (but is not obligated to) provide its consent to the Purchaser's request to so assign his/her interest under this Purchase Agreement (including his/her right to personally occupy the Property) subject to such conditions as the Vendor, in its discretion, may reasonably determine including the payment by the Purchaser to the Vendor of an assignment fee amounting to \$5,000.00 plus HST which sum shall be paid to the Vendor at the time of the Purchaser's request for such assignment, provided that such assignment fee shall not be applicable in the event of any assignment of such interest by the Purchaser to a spouse, parent or child (provided such child is at least 21 years of age) of the Purchaser, together with such evidence as the Vendor's Lawyers require in order to confirm the relationship, but all other provisions of this paragraph and this Purchase Agreement shall apply. In the event that the Vendor, having investigated the proposed assignment transaction does not consent to such assignment, the assignment fee less \$1,000.00 (Cdn.) for review of the proposed assignment transaction shall be returned by the Vendor to the Purchaser without interest and, in any event, within thirty (30) days of receipt of the Purchaser's request for the Vendor's permission to such assignment. No consent to a Purchaser's request for assignment will be permitted or contemplated after that time period which is sixty (60) days prior to the Occupancy Date. In the event that the Vendor provides its consent to the Purchaser's request to so assign his/her interest under this Purchase Agreement, then in that event the Vendor's Lawyers shall prepare the requisite Assignment Agreement to be executed by the parties, and the assignor shall, together with the above fee, pay the Vendor's Lawyer's fees for the preparation of the Assignment Agreement at the time of execution of the Assignment Agreement by certified cheque made payable to the Vendor's Lawyers prior to completion of the assignment. If for any reason the assignor fails to pay the Vendor's Lawyers fee then in that event the assignee shall pay same, with such payment by the Purchaser (assignee) to be reflected by an appropriate credit to the Vendor or the Vendor's Lawyers in the Statement of Adjustments on the Closing Date. The Purchaser further acknowledges and agrees that prior to the Purchaser entering into the proposed assignment with the Vendor's consent, the aggregate total deposit as defined in subparagraph 2. (a), (b), (c) (d), (e) and (f) of the Front Pages(s) of this Purchase Agreement shall be paid in full to the Vendor. In addition, the Purchaser will be required to pay an additional deposit of \$25,000 by certified funds or bank draft from a Schedule 1 Canadian Chartered Bank or the Purchaser's solicitor's trust account to be held in trust in the same manner as contemplated in this Agreement for deposits generally, as a condition of any consent of the Vendor to an assignment. Without limiting the provisions above, the Purchaser acknowledges that in the event this Purchase Agreement does not require a minimum of twenty percent (20%) in deposits then consent to the assignment will not be forthcoming. The Purchaser acknowledges and agrees that in the event of a breach or default by the Purchaser of the provisions herein, such breach is or shall be incapable of rectification, and accordingly the Purchaser acknowledges, and agrees that in the event of such breach or default, the Vendor shall have the unilateral right and option of terminating this Purchase Agreement and the Occupancy Licence, if applicable effective upon delivery of notice of termination to the Purchaser or the Purchaser's Lawyer together with all other rights to be enforced by the Vendor under this Purchase Agreement.

10. **CONSTRUCTION MATTERS AND WARRANTIES**

- (a) The Purchaser acknowledges that it has received a copy of the Warranty Information Sheet as Schedule F as published by the Warranty Program and which provides information about warranty coverage, the pre-delivery inspection and, generally, rights and responsibilities of purchasers/owners and builders. In addition, the Purchaser acknowledges that it has received the following link to Tarion's Learning Hub (<https://www.Tarion.com/homeowners/learning-HUB>).
- (b) The Purchaser agrees to meet the Vendor's representative either personally or in the company of a designate of the Purchaser or through such designate alone at a date and time designated by the Vendor, prior to the Occupancy Date to inspect the Property (the "PDI"), and to complete the Warranty Program Certificate of Completion and Possession and the PDI form and any other requisite documents all as prescribed from time to time, and required to be completed under, the provisions of the Plan Act (the "Tarion Forms"). The Purchaser shall be permitted to send a designate to conduct the PDI in the Purchaser's place or attend with their designate, provided the Purchaser first provides to the Vendor a written authority in form acceptable to the Vendor, appointing such designate for the PDI no later than two (2) Business Days prior to the PDI. If the Purchaser appoints the designate, the Purchaser acknowledges and agrees that the Purchaser shall be bound by all of the documents executed by the designate in the same degree and with the force and effect as if executed by the Purchaser directly. The Vendor and/or its representative(s) may take photographs or video recordings of the Property and anything contained therein or thereon during the PDI, and may disclose such photographs and recordings and other information and documentation collected during the PDI to the Warranty Program. The Tarion Forms shall list all deficiencies, substitutions or items that cannot be inspected because they are dirty, incomplete or missing and shall confirm the Occupancy Date. The Tarion Forms shall be executed by both the Purchaser and the Vendor's representative forthwith after such inspection, and the Tarion Forms shall constitute the Vendor's only undertaking with respect to incomplete or deficient work. In the event that the Vendor performs any additional work to the Property in its discretion, the Vendor shall not be deemed to have waived the provision of this paragraph or otherwise broadened its obligations hereunder. The Vendor shall use its reasonable commercial efforts (having regard to weather conditions, the Vendor's building schedules, the availability of supplies and services and the Purchaser's ability to access the Property) to complete or remedy all items listed in the Tarion Forms in accordance with the Plan Act. No further request for completion of items may be maintained by the Purchaser, and this shall serve as a good and sufficient release of the Vendor in that regard. The Purchaser further acknowledges and agrees that any warranties of workmanship or materials in respect of any aspect of the construction of the Property or of the common elements of the Condominium, whether imposed by law, equity or any legislation, shall be restricted to only those warranties deemed to be given by the Vendor under the Plan Act, and shall extend only for the period and in respect of those items stipulated or covered by the Warranty Program. The Purchaser acknowledges that he/she may be disentitled to the statutory warranties stipulated or covered by the Plan Act if the Property is not initially occupied by the Purchaser. Under no circumstances whatsoever shall the Purchaser or the Condominium Corporation have any claim against the Vendor for any alleged deficiencies or defects of materials or workmanship other than as provided for in the Plan Act.
- (c) Under no circumstances whatsoever shall the Purchaser or the Condominium be able to claim:
- (i) against the Vendor for any other alleged deficiencies or defects of materials or workmanship; and
 - (ii) against the Vendor and any other entity or person related to or affiliated with the Vendor for any alleged deficiency or defects arising therefrom including, without limitation, claims arising in negligence or nuisance.

For greater clarity and without limiting the generality of the foregoing provisions in this Paragraph 10, the Purchaser agrees that:

- (i) neither the Purchaser nor the Condominium in respect of the common elements appurtenant of the Condominium shall have any remedy or right of action except for the warranty claim against the Vendor or declarant of the Condominium alone for the warranties prescribed in the Plan Act;
 - (ii) the Purchaser in respect of the common elements of the Condominium hereby releases the Vendor, its servants, agents, employees, directors and officers from any and all remedies, claims and causes of action (including causes of action and negligence and nuisance and any rights that may be taken against the Vendor or the declarant by third party proceedings, except the warranty rights (if any) against the Vendor alone granted by the Plan Act);
 - (iii) the Purchaser agrees that this Paragraph 10 constitutes and may be pleaded by the Vendor or any of their servants, agents, employees, officers, professional consultants, trades and suppliers and any Claim brought against any of them by the Purchaser or the Corporation as a complete defence, including the defences of waivers, estoppel and release; and,
 - (iv) the Purchaser acknowledges and agrees that the rights and remedies of the Condominium against the Vendor are limited to those in the Limitation Agreement.
- (d) The Purchaser on behalf of himself/herself and the Condominium Corporation in respect of the common elements of the Condominium hereby releases the Vendor, its servants, agents, employees, directors and officers from any and all remedies, claims and causes of action including negligence and nuisance and any Claims that may be taken against the Vendor by third party proceedings except the warranty rights against the Vendor granted by the Plan Act. In addition, the Purchaser acknowledges that he or she will not have any claim for damages or nuisance arising from any delay in completing the common elements.
- (e) The Vendor shall complete the common elements of the Condominium and the Property other than the Residential Unit as soon as is reasonably practicable, but the failure of the Vendor to complete the common elements, and/or the Property as aforesaid as soon as reasonably practicable or beyond the minimum standards required by the Municipality in order to permit occupancy thereof, on or before the Occupancy Date shall in no event entitle the Purchaser to refuse to take possession of the Property and/or close the within transaction, or to fail to remit to the Vendor the entire amount of purchase monies required to be paid by the Purchaser hereunder, or to maintain any holdback of any part of the Purchase Price or of the Occupancy Fee.
- (f) The Purchaser acknowledges and agrees that any warranty certificate contemplated will be issued after the Occupancy Date and issuance of the said certificate shall not be a condition to the completion of the purchase and sale transaction, nor a condition to the Purchaser performing its obligations under this Agreement.
- (g) The attendance and completion of the inspection and the endorsement of the Tarion Forms by the Purchaser or the Purchaser's designate and the Vendor as contemplated in this Agreement are prerequisites of the Vendor's obligation to provide occupancy of the Residential Unit to the Purchaser and to complete this transaction on the Occupancy Date. In the event that the Purchaser fails to attend and complete the inspection and endorsement of the Tarion Forms, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement and/or at law. Alternatively, if the Purchaser fails to attend the aforesaid inspection, the Vendor may, at the Vendor's discretion, complete the Tarion Forms on behalf of the Purchaser, and the Purchaser hereby irrevocably appoints and authorizes the Vendor to act as his/her lawful attorney, in order to execute the Tarion Forms issued pursuant to the Plan Act.
- (h) The Vendor is not responsible beyond the warranties in the Plan Act for the repair and/or rectification of any work resulting from ordinary settlement of the Property or the Condominium including (but not limited to) driveways, walkways, internal roads, patio stones, sodded areas, or for any damage to improvements or decorations caused by warpage, twisting or material shrinkage. The Purchaser further acknowledges and agrees that the Vendor shall not be liable for any secondary or consequential damage (of any kind whatsoever) resulting from any defects in material design or workmanship related to the development or construction of the Condominium. Without limiting the generality of Paragraph 10(o) of this Agreement, from and after the Occupancy Date and continuing after Closing, the Vendor shall not be responsible for any damage to any improvements, fixtures, furnishings or personal property made by the Purchaser to the Property resulting from (i) any act or omission to act of the Vendor or anyone under its direction or control, in completing outstanding matters of, or deficiencies in construction, (ii) any damage or delays and attendant costs caused by the Purchaser or any person with whom the Purchaser has had direct dealings for the upgrading and/or installation of materials or equipment or (iii) any damage caused by the use of the Property by the Purchaser, or his/her family, guests or pets.

Without limiting any other provisions of this Agreement any arrangements by the Purchaser directly with subcontractors or others for upgrading and/or installation of materials or equipment does not form part of this Agreement, and the Vendor shall have no responsibility therefore whatsoever under this Agreement or the Plan Act. Such upgrading and/or installation may be carried out only after the Purchaser obtains the Vendor's written consent concerning the date(s) and the exact nature of the work to be done, and the Purchaser shall comply with the Vendor's requirements in order that completion of the Property and the condominium registration not be delayed. Where such direct Purchaser upgrading and/or installation arrangements are so undertaken, the Vendor shall not be responsible for any delays in completion of the Unit (including any delays in having the Property substantially completed sufficient to permit occupancy thereof by the Occupancy Date, or Closing, as the case may be) nor for the attendant costs, inconvenience and damages to the Purchaser occasioned thereby. The Purchaser shall indemnify and save harmless the Vendor from and against all claims, demands, losses, damages, injuries, costs, charges and expenses which the Vendor may sustain, incur or be liable for in consequence of such upgrading and/or installation.

The Vendor may, from time to time in its sole discretion, or as required by any Governmental Authority or the Mortgagee, change, vary or modify the plans and specifications pertaining to the Property or the Condominium (including architectural, structural, engineering, landscaping, grading, mechanical, electrical, site service or other plans) from the plans and specifications existing at the time the Purchaser has entered into this Agreement, or as same may be illustrated in any sales brochure, model, sales office or otherwise, and the Purchaser shall have absolutely no claim or cause of action whatsoever against the Vendor or its agent(s) for any such changes, variances or modifications, nor shall the Purchaser be entitled to any notice thereof. Without in any way limiting the generality of the foregoing provision, the Purchaser is advised that the current renderings and illustrations of the Building may be revised by any or each of the following: (i) raising the height of the ground floor of the Building; (ii) limiting the use of stucco and replacing it with fibre cement board; and (iii) incorporating a brick ledge to the masonry. Where any such change, variation or modification is material or substantial in nature, the Purchaser's only recourse and remedy shall be the termination of this Agreement within 10 days after the Purchaser is notified or otherwise made aware of the material change as provided for in the Act and the return of the deposit monies paid under this Agreement, together with interest accrued thereon from the date of notification at the rate prescribed by the Act. The Purchaser acknowledges that the model and type of Residential Unit herein described, or as may be pictorially represented in any models, drawings, illustrations or renderings, may have a reversed architectural lay-out. The Purchaser further expressly acknowledges that the Vendor's ability to change, vary or modify plans and specifications is an essential requirement for the successful completion of the project. As a result, the Vendor may alter the model and type of the Residential Unit purchased by the Purchaser. The Purchaser further expressly acknowledges that the Vendor's ability to change, vary or modify the plans and specifications pertaining to the Property is an essential requirement for the successful marketing and completion of the project (which is agreed to be to the mutual benefit of the Vendor and all unit purchasers) and in consideration of the Purchaser assuming this risk of potential major or minor changes to the Property, the Purchaser acknowledges having received the benefit of a sale price which may (or may not) be lower than the prices that are (or may be) applicable to units comparable to the Residential Unit, when the same shall have been fully constructed and completed. If such alteration is material, the Purchaser may terminate the Agreement as herein provided and all monies heretofore paid by the Purchaser to the Vendor shall be returned with interest from the date of notification at

the rate prescribed by the Act and the Vendor shall have no further liability or obligation hereunder and shall not be liable for any costs or damages in respect thereof.

- (i) The Purchaser specifically acknowledges and agrees that the location of the drains, heating, cooling, boilers components/units and/or water tanks (or combination thereof) within the Residential Unit as may be presently depicted on any drawings, illustrations, renderings or models may be relocated to different locations within the Residential Unit or the Condominium all in the Vendor's sole and absolute discretion. The Purchaser further acknowledges that any model suites displayed or to be displayed in the Vendor's sales office may include or contain items of finishing, furniture and/or equipment and/or be constructed with/by methods and materials which are not, to be used or contained in the Property or included in the Purchase Price. The Purchaser further acknowledges that the Vendor may, from time to time in its sole discretion, for whatever reason, change, vary or modify the number, size and/or location of any windows, columns and/or bulkheads within or adjacent to (or comprising part of) the Residential Unit, from the number, size and/or location of same as displayed or illustrated in any sales brochures, models or floor plans previously delivered as shown to the Purchaser, including the insertion or placement of any windows, columns and/or bulkheads in one or more locations within the Residential Unit which have not been shown or illustrated in any sales brochures, models or floor plans previously delivered and shown to the Purchaser (regardless of the extent or impact thereof) as well as the removal of any windows, columns and/or bulkheads from any locations previously shown or illustrated in any sales brochure, models in the sales office or otherwise. The Purchaser further acknowledges that various types of flooring, such as, but not limited to, carpets, marble, tile and/or wood floors may result in different heights in the transitional areas between them, and that the Vendor may use thresholds as determined by the Vendor in the transition between such areas. The Purchaser further acknowledges, that it may be necessary during construction of the Residential Unit to construct the exit from the interior to the balcony, patio or terrace adjacent to the Residential Unit, if any, with one or more steps leading from the floor of the interior to the balcony and/or terrace. Furthermore, in calculating the height of the Residential Unit, the Consultant shall measure the ceiling height from the upper surface of the floor/slab (or joists) to the under side of the concrete ceiling slab. Where ceiling bulkheads and/or drop ceilings are installed within the Residential Unit and/or where drop ceilings are required, then the ceiling height of the Residential Unit will be less than that indicated on any plans, schedules and drawings and the consultant will measure ceiling heights without regard to bulkheads and drop ceilings and the Purchaser shall correspondingly be obliged to accept the same without any abatement or claim for compensation whatsoever. The Purchaser further acknowledges and agrees to a reduction or increase in either: (i) the total area of the Residential Unit of up to 5% or; (ii) the area, or a single dimension, of any one room of up to 10%, in either case when calculating area, using Warranty Program's published uniform method for the calculation of floor area (and in addition to the equivalency tolerances provided for by such method).
- (j) Notwithstanding anything contained in this Agreement to the contrary, if construction of the Residential Unit is not completed on or before the Occupancy Date or any extension thereof as hereinbefore contemplated, for any reason except for the Vendor's wilful neglect, or if the Purchaser cannot take possession of the Residential Unit on the Occupancy Date by reason of any fire, damage or other perils, hazards or damages whatsoever occasioned thereto, the Vendor shall not be responsible or liable for reimbursing the Purchaser for any costs, expenses, or damages suffered or incurred by the Purchaser as a result of such delay or damage, and specifically shall not be responsible for any costs and expenses incurred by the Purchaser in obtaining alternate accommodation pending the completion of construction of the Property or the rectification of the damage, nor for any costs incurred in having to store or move the Purchaser's furniture or other belongings pending such completion or rectification work, except such compensation as may be specifically paid under the Plan Act.
- (k) The Vendor (its invitees, agents, trades and designees) shall have the right to enter upon the Property, after the completion of the within transaction, in order to complete and/or rectify those items required to be completed and/or rectified by the Plan Act, the Tarion Forms or as the Vendor requires. The Vendor shall complete and/or rectify same within a reasonable time after the Occupancy Date or Closing Date, as required by the Plan Act, having regard to the availability of equipment, materials and labour and access thereto.
- (l) The Purchaser acknowledges and agrees that insofar as any wood finishes, marble tile, granite, carpeting, hardwood flooring, tiles, kitchen cabinetry or other manufactured finished materials installed within the Residential Unit by the Vendor are concerned:
- (i) the colour, texture, grain and/or shading of such wood finishes, marble tile, granite, carpeting, wood flooring, tiles, kitchen cabinetry or other manufactured finished materials may vary from that of those selected by the Purchaser from the Vendor's samples due to the variations of shading, grain and dye lots produced or manufactured by the suppliers; and
 - (ii) the colour, finish and/or grain of wood products (including wood flooring) may vary from that of the wood selected by the Purchaser from the Vendor's samples, inasmuch as wood is a natural material which inherently cannot be precisely replicated or matched with other pieces of samples, thereby accounting for variations of colour, finish and/or grain even within the same lot or section of wood;
- and the Purchaser shall accordingly be estopped from claiming any entitlement to any abatement of the Purchase Price, or any replacement (in whole or in part) of any wood finishes, marble tile, granite, carpeting, wood flooring, tiles, kitchen cabinetry or other manufactured finished materials so installed, or any other relief as a result or claim for compensation of the variations hereinbefore described or contemplated.
- (m) The Purchaser acknowledges and agrees that the Vendor's obligations and liabilities with respect to the minimum quality of the construction of the Property in the Condominium and the timelines of warranty work are as set out in the Ontario Building Code, the Fire Code, the standards of the Municipality, the terms of any Permitted Encumbrances and the requirements of the Plan Act, all of which are binding on the Purchaser. For the purposes of this Agreement, such requirements mean the minimum statutory requirements of the Plan Act and all minimum standards and requirements set out in all Builder's Bulletins and Construction Performance Guidelines and other terms, standards, conditions and obligations set out in writing by the Plan Act and intended by it to be binding upon the Vendor. The Vendor shall not be obliged to build the Property and/or the Condominium or to compensate the Purchaser or perform warranty repairs to any other standard or criteria except in the minimum standards in accordance with the Plan Act or (if applicable) the Building Code or the Fire Code and/or any other applicable requirements of the Municipality or any other public authority or agency.
- (n) The Purchaser acknowledges and agrees that the only legal duty owed by the Vendor, and the only warranties and representations the Purchaser will receive from the Vendor, are those written in this Agreement and the warranty provided by law under the Plan Act. There are no other express or implied legal duties or representations or warranties with respect to the Property or to any aspect of the construction of the Residential Unit. Any common law duties and representations, any common law alternative and/or concurrent remedies, and any implied duties or implied warranties at common law or by sales material or by the sales representative are excluded from this Agreement and waived by the Purchaser.
- (o) In the event that architectural control over external elevations of the Property is imposed by the Vendor and/or the Municipality, and the Vendor is required, in compliance with such architectural requirements, to construct an external elevation of the Property other than as specified in this Agreement (the "**Amended Elevation**"), including without limitation the elimination of walkouts and/or lookouts, the Purchaser hereby irrevocably authorizes the Vendor to complete the Property including the required Amended Elevation in lieu of the elevation specified in the Agreement.
- (p) The Purchaser acknowledges and agrees that the Vendor may, from time to time in its sole and unfettered discretion, due to site conditions or constraints, for marketing considerations or for any other reason, including without limitation any request or requirement of any Governmental Authorities or any request or requirement of the Vendor's architect or other Consultant change the municipal address or numbering of the Residential Unit (in terms of the unit number and/or level number ascribed to any one or more of the units comprising the Residential Unit).

In the event the Vendor adds additional levels to the Condominium above the top level, notice will be provided to purchasers of residential units on the top level, informing them of their right to enter into an amendment to their purchase agreements to purchase a residential unit on a higher level upon payment of a premium determined in the sole and absolute discretion of the Vendor. Purchasers shall have ten (10) days from receipt of the notice to execute the amendment, to be provided by the Vendor, referencing the change. Should a purchaser not exercise this right all terms and conditions of his purchase agreement shall remain in full force and effect and unamended.

11. **FINISHES & APPLIANCES**

- (a) Within fourteen (14) days after notification by the Vendor, the Purchaser shall complete the Vendor's colour and material selection form for those items of construction or finishing for which the Purchaser is entitled to make selection pursuant to this Agreement, failing which the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement and/or at law or, in the alternative, the Vendor may complete the same in its sole and absolute discretion, on behalf of the Purchaser and the Purchaser shall be bound by the Vendor's selection and the Vendor shall not be liable for any delays in having the Property ready for occupancy on the Occupancy Date. The Purchaser acknowledges that the Vendor's scheduling requirements are paramount and that the Purchaser will be required to attend at times and locations selected by the Vendor specified above and a failure to attend to the appointment on the date and time fixed by the written notice is an act of default. The Purchaser acknowledges that any delay in making selections and/or re-selections may prejudice the Vendor's construction schedule and/or delay the Occupancy Date and/or the Closing Date. Except for direct order approved in writing by the Vendor from suppliers as set out in the appointment or appointments, all selections must be made on the Vendor's form and will be made under the Vendor's usual terms and conditions which govern payment, selection, substitutions, completion, credits, refunds and limitations on selections, which terms and conditions are binding on the Purchaser. The Purchaser acknowledges that only the items set out in Schedule "B" are included in the Purchase Price, and that furnishings, decor, improvements and samples are for conceptual and display purposes only and are not included in the Purchase Price unless specified in Schedule "B". The Purchaser shall have no selection whatsoever insofar as exterior colours, designs and materials or finishings of the Condominium are concerned. The Purchaser further acknowledges that selections of exterior colours, designs and materials may be subject to architectural approval from a third party or the Municipality, over which the Vendor has no control. All selections of items of construction or finishing for which the Purchaser is entitled to make selection pursuant to this Agreement are to be made from the Vendor's samples. If the Purchaser's colour, material, construction or finishing selections are unavailable for any reason whatsoever, the Vendor shall give to the Purchaser seven (7) days prior written notice of such unavailability, during which period, the Purchaser may make an alternate selection. If the Purchaser fails to make an alternate selection as aforesaid, the Vendor may substitute in its sole and absolute discretion, without the consent of the Purchaser, materials or finishing which are of equal or better quality, whether the same are different in colour and/or finish. The opinion of the Consultant as to the difference in quality is final and binding on the Purchaser. The Purchaser also agrees that the finishing materials contained in any model, suite or sales centre (including, but not limited to, broadloom, furniture, electrical and plumbing fixtures, countertops, appliances, flooring materials and wall finishes, upgraded kitchen cabinets, stained staircase and railing) may be for display purposes only, and may not be included in the Residential Unit or be of the same grade, type or quality as what is to be included pursuant to this Agreement. The Purchaser further acknowledges and agrees that both the choice of samples (either from the Vendor's samples or available from the Vendor's suppliers) and the upgrade prices are subject to change without notice, and, in addition, the Vendor may substitute other materials, equipment, appliances and brand names of at least equal quality for those specified. The Purchaser shall be entitled to send a designate to complete the Vendor's colour and material selection form(s) in the Purchaser's place, provided the Purchaser first provides to the Vendor a written authority, in form approved by the Vendor, appointing such designate. If the Purchaser appoints a designate, the Purchaser acknowledges and agrees that the Purchaser shall be bound by all the documents executed by the designate to the same degree and with the force and effect as if executed by the Purchaser directly. If there is more than one Purchaser, each Purchaser appoints each other Purchaser as his or her representative and agent with full authority to make colour/material selections and to enter into additional agreements for optional extras. As a result, any such selections or agreements for extras made by any one Purchaser shall be binding on all other Purchasers as if they had made such selections or entered into such agreements themselves. In the event that, in the Vendor's sole discretion, there is any inconsistency in the selections and the timings of the selections as between the Purchasers, the Vendor shall be entitled to rely upon the selection presented by the first Purchaser of the two or more to respond.
- (b) The Purchaser covenants and agrees to pay the Vendor, in advance, for all extras or changes (plus HST) specifically ordered by the Purchaser from the Vendor and to pay for the same forthwith upon demand. If this transaction does not close, by reason of the default of the Purchaser, the Vendor shall retain any sums so paid for extras or changes, whether installed or not, and shall not be obligated to return same to the Purchaser and the Vendor shall be allowed to deduct from any deposit or deposits paid to the Vendor any amounts remaining unpaid for extras or changes.
- (c) Where any extras or upgrades so ordered are not available to the Vendor for any reason whatsoever or are not, or cannot be, installed, in the sole and absolute discretion of the Vendor, the Vendor shall refund to the Purchaser, on a timely basis after the Closing Date, all monies paid for such extras or upgrades without interest, and the Purchaser shall have no recourse, action or claim against the Vendor whatsoever with respect thereto. The statutory declaration of a Consultant or supplier or an officer of the Vendor stating the amount of the calculation for an incomplete or unavailable item is conclusive and binding on the Purchaser. The Purchaser also agrees that any amounts so calculated and/or credited shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras and upgrades which remain incomplete or unavailable as aforesaid. If the credit or refund is not available or included in the adjustments on the Closing Date, the Vendor shall be entitled to defer payment for a reasonable period of time following the Closing Date.
- (d) The Vendor shall not be responsible or liable in any way to the Purchaser for the quality of, and/or workmanship with respect to the extras and/or upgrades unless same are purchased from and/or constructed directly by the Vendor.
- (e) The Purchaser covenants that it shall not enter onto the Property prior to the Occupancy Date without the express written authority of the Vendor and accompanied by a representative of the Vendor. The Purchaser also covenants that he or she will not under any circumstances, perform or have performed any work of any nature or kind whatsoever on the Property prior to the conveyance of the Property to the Purchaser and in the event of a breach of this covenant, the Vendor shall, in addition to any other remedy, be entitled to take whatever steps are necessary to remove, correct or remedy any such work and the cost or expenses thereof plus a fifteen (15%) percent administration fee, plus HST, shall be paid forthwith upon demand to the Vendor, failing which the Vendor shall be entitled to terminate this Agreement.

Without limiting the generality of the foregoing, the Vendor's sales representatives, property managers and construction site employees do not have authority to waive these requirements or to authorize any work contrary to this paragraph and the Purchaser must receive a written authorization or waiver from an authorized signing officer of the Vendor. Any breach of this covenant by the Purchaser is an act of default. In addition to any other remedy granted to the Vendor by this Agreement, the Vendor (and/or the Condominium after registration of the Creating Documents if the alterations affect the common elements of the Condominium) shall be entitled to enter into the Property to remove, correct or remedy any such work and the costs or expenses thereof plus a fifteen percent (15%) management and supervision fee, plus HST, shall be paid by the Purchaser to the Vendor (or the Condominium Corporation, where applicable) within fifteen (15) days of written demand. The legal fees of the Vendor or the Condominium performing the work to enforce collection of these sums shall also be payable by the Purchaser on a full indemnity basis.

12. **NOTICES**

- (a) Any notice required to be delivered under the provisions of the Tarion Addendum shall be delivered in the manner required by Paragraph 14 of the Tarion Addendum.

- (b) Any other notice given pursuant to the terms of this Agreement shall be deemed to have been properly given if it is in writing and is delivered by hand, ordinary prepaid post, registered mail, facsimile transmission or electronic mail to the attention of the Purchaser or to the Purchaser's Lawyer to their respective addresses, including electronic e-mail addresses indicated herein or to the address of the Residential Unit after the Occupancy Date and to the Vendor at 7880 Keele Street, Concord, ON L4K 4G7, Attention: Customer Care Co-ordinator, Mattamy East Station, or to the Vendor's Solicitors at the address indicated on the front page(s) of this Agreement or such other address as may from time to time be given by notice in accordance with the foregoing. Such notice shall be deemed to have been received on the day it was delivered by hand, by electronic mail or by facsimile transmission and upon the third day following posting, excluding Saturdays, Sundays and statutory holidays. This Agreement or any amendment or addendum thereto may, at the Vendor's option, be properly delivered if it is delivered by facsimile transmission or if a copy of same is computer scanned and forwarded by electronic mail to the other party. The Purchaser acknowledges that the Vendor reserves the right to provide notices contemplated by this Paragraph 12(b) in the manner herein set forth in this Paragraph 12(b) or in the manner for notice set forth in Paragraph 13(a) and, furthermore, that the Vendor may alternate the manner of notice between the requirements of Paragraph 12(a) and Paragraph 12(b) with respect to notices under Paragraph 12(b).
- (c) Any notice, approval, waiver, agreement, instrument, document or communication permitted, required or contemplated in this Agreement (save as may be specifically required to be delivered differently by the Tarion Addendum) may be given or delivered and accepted or received by the Purchaser's Solicitors on behalf of the Purchaser and by the Vendor's Solicitors on behalf of the Vendor. In the event of any amendment to this Agreement by the Purchaser, the Vendor, the Purchaser's Solicitors or the Vendor's Solicitors (including an addendum or amending agreement) then each and every change shall be deemed to provide that time is of the essence whether so expressed in such addendum or amending agreement.

13. **POWER OF ATTORNEY**

- (a) The Purchaser hereby irrevocably constitutes and appoints the Vendor to be his/her lawful attorney, in order to execute any deposit receipt issued pursuant to Plan Act, as well as any excess condominium deposit insurance policy documents.
- (b) If the Purchaser is comprised of more than one individual, each individual (hereinafter referred to as the "**Donor**") hereby constitutes and appoints the other to be and act as the Donor's lawful agent and attorney, in order to execute the Purchaser's Acknowledgement of receipt of the Disclosure Statement (or amended Disclosure Statement), the Acknowledgement of Receipt of a copy of the fully executed Agreement and/or for the purposes of receiving notices required or desired to be delivered by the Vendor pursuant to this Agreement.

14. **HST & PROPERTY TAX**

- (a) Subject to paragraph 15 herein, it is acknowledged and agreed by the parties hereto that the Purchase Price includes a component equivalent to the HST applicable as at the date hereof to this purchase and sale transaction, less the federal new housing rebate referenced in Section 254 of the ETA (the "**GST Rebate**") and the Ontario new housing rebate referenced in Section 41 of the *New Harmonized Value-added Tax System Regulations, No. 2* (the "**HST Rebate**").
- (b) The Purchaser hereby represents and warrants to the Vendor that the Purchaser qualifies for the GST Rebate, if any is available, and the HST Rebate (hereinafter sometimes collectively referred to as the "**Rebates**").
- (c) Notwithstanding anything to the contrary in this Agreement, the Purchaser hereby transfers and assigns to the Vendor all of the Purchaser's right, interest and entitlement now or in the future to the Rebates and agrees to execute and deliver to the Vendor, forthwith upon the Vendor's request for same and in any event on or before the Closing Date, all requisite documents and assurances that the Vendor may reasonably require to enable the Vendor to obtain the benefit of the Rebates including, without limitation, Form GST190 (the "**Rebate Form(s)**") in original wet signature i.e. not a photo or electronic copy and not a digitally signed version.
- (d) The Purchaser shall indemnify and save the Vendor harmless from and against any and all loss, costs, damages, taxes and/or liability (including any HST or property taxes, plus penalties and interest thereon and any reasonable legal costs in connection therewith) which the Vendor may suffer, incur or be charged with as a result of:
- (i) the Purchaser's failure to qualify for the GST Rebate or the HST Rebate;
 - (ii) the Purchaser having qualified initially but being subsequently not entitled to the GST Rebate or the HST Rebate; or
 - (iii) any amendment to the ETA, or applicable successor legislation, in force as at the date when HST becomes payable in respect of this purchase and sale transaction, the effect of which is to increase the rate of HST payable herein or to decrease the amount of the one or both of the Rebates, or both.

This indemnity shall survive indefinitely the completion or termination of the Purchase Agreement. It is understood and agreed by the parties hereto that should the Purchaser not qualify for the GST Rebate, if any is available, or the HST Rebate or fail to deliver to the Vendor the Rebate Form(s) (duly executed by the Purchaser) by the Closing Date, then notwithstanding anything contained herein (or in the Purchase Agreement) to the contrary, the Purchaser shall be obliged to pay to the Vendor, by certified cheque delivered on the Closing Date, an amount equivalent to the GST Rebate or HST Rebate, or both, as the case may be, as well as an amount of \$250 in legal fees, all in addition to the outstanding balance of the Purchase Price. It is further understood and agreed by the parties that in the event that the Purchaser intends to rent out the Property before or after the Closing Date, the Purchaser shall not be entitled to the Rebates, but may nevertheless be entitled to pursue, on his own after the Closing Date, the federal and provincial new rental housing rebates directly with CRA, pursuant to the ETA and the Regulations thereto.

- (e) The Purchaser's failure to pay or remit to the Vendor on the Closing Date the HST exigible in connection with this transaction, or if required pursuant to this paragraph 14 to deliver to the Vendor the Rebate Form(s), duly executed by Purchaser, or if required pursuant to this paragraph 14 to pay to the Vendor by certified cheque an amount equivalent to the GST Rebate or HST Rebate, shall constitute a fundamental breach of contract, entitling the Vendor to immediately terminate this Agreement and to retain all deposit monies theretofore paid (together with all monies paid for any extras or changes requested to be made to the Residential Unit) as its liquidated damages and not as a penalty, without prejudice to any other rights or remedies available to the Vendor at law or in equity.
- (f) Without limiting any of the foregoing provisions, the Purchaser further covenants and agrees that in the event that any assignment of the Purchase Agreement, amendment to the Purchaser Agreement, novation to the Purchase Agreement, re-instatement of the Purchase Agreement or the acquisition of any upgrades or extras results in the GST Rebate or HST Rebate not being capable of being assigned, in whole, by the Purchaser to the Vendor, then the Purchaser shall pay to the Vendor such forgone amount by certified cheque on closing in the same manner as hereinbefore contemplated for repayment where purchasers do not qualify for the GST Rebate or HST Rebate.
- (g) Notwithstanding any provision herein to the contrary, if the Purchaser does not qualify for the Rebates, or any of them, or fails to deliver the requisite documentation in connection therewith or takes any action that might disentitle it from receiving the Rebates (such as a resale or rental listing), then, if discovered prior to Closing, the amount of the Rebates shall be paid to the Vendor on Closing or, if discovered after Closing, the Purchaser shall pay the Vendor by certified cheque the amount of the Rebates forthwith

upon demand and shall indemnify the Vendor from any loss of the Rebates. Notwithstanding any provision to the contrary in this Agreement or in the applicable legislation, if at any time, in the view of the Vendor or the Vendor's Solicitors, the Purchaser's information might be inaccurate, incomplete or untruthful such that the Rebates, or any of them, may not be properly collected by the Vendor, the Vendor shall be entitled in its sole, subjective and absolute discretion to increase the Purchase Price by the amount of the Rebates and the Purchaser shall pay such additional sum on Closing.

- (h) The Purchaser acknowledges and agrees that if, at any time on or before the Date of Closing, the Purchaser is or becomes a party to another uncompleted agreement of purchase and sale for the purchase of a residential property with the Vendor or with any other vendor selling Mattamy-branded homes (for the purposes of this paragraph and Paragraph 32(n) of this Agreement, an "**Additional Purchase Agreement**"), whether before or after the Date of Acceptance, the Purchaser will not be credited under any circumstances with the Rebate described in Paragraph 14 of Schedule "A", and the amount thereof shall be added to the Purchase Price as contemplated by Paragraph 14, with respect to both this Agreement and the Additional Purchase Agreement.
- (i) The Purchaser agrees and acknowledges that the Vendor may request that the Rebate Forms be completed in the name of the Vendor or any person that is designated by the Vendor including, inter alia, any party in which the Vendor may have been acting as the disclosed or undisclosed agent for when entering into this Agreement. The Purchaser agrees to execute and provide to the Vendor all Rebate Forms and, to the extent the Vendor has not received adequate Rebate Forms, the Purchaser hereby nominates and appoints any officer of the Vendor (or any other party as may be directed by the Vendor) as the Purchaser's true and lawful attorney and agent pursuant to the provisions of the *Powers of Attorney Act* (Ontario) with full power and authority in the Purchaser's name, place and stead to execute, swear to and record any and all documents that may be required in order to have the Rebates paid and/or credited to the Vendor or any other person that is designated by the Vendor including, inter alia, any party in which the Vendor may have been acting as a disclosed or undisclosed agent for when entering into this Agreement.

15. **TAX ON CHATTELS**

The Purchaser acknowledges that HST is not included on that portion of the Purchase Price allocated to chattels in accordance with this paragraph 15. The remainder of the Purchase Price is allocated to realty for purposes of paragraph 2 of the Purchase Agreement. The Purchaser agrees to deliver to the Vendor's solicitor, a copy of the Affidavit of Residence and Value of the Consideration on or prior to the Closing Date, indicating that HST will be paid on the value of the chattels, as aforesaid. For the purposes of calculating HST, the Vendor shall allocate the Purchase Price as between realty (land and building) and any chattels included in the agreement as part of the Purchase Price.

16. **SALES OFFICE**

The Purchaser shall not interfere with the completion of the Condominium and the Adjoining Component, if applicable. Until the same are completed and all units/lots have been sold, leased or conveyed and all space contained within the Condominium and Adjoining Component has been leased and/or conveyed (if any portion of same is sold) the Vendor may make such use of the Condominium as may facilitate the foregoing including, but not limited to, the maintenance of any sales/rental or administration offices and/or model units and the advertising and/or showing of units and the display of signs and further, without limitation, the Vendor may make such use of the Condominium and the Lands (or any part or parts thereof) as may facilitate completion of the leasing of any non-residential space to be situate adjacent to the Condominium or any of the Adjoining Component.

17. **RESIDENCY**

The Vendor hereby represents that it is not now, and will not on Closing be, a non-resident of Canada as defined by Section 116 of the *Income Tax Act* (Canada).

18. **NO OTHER REPRESENTATIONS**

This Agreement, when accepted, shall constitute a binding agreement of purchase and sale. It is agreed and understood that there is no representation, warranty, collateral term or condition affecting this Agreement or the Property, or for which the Vendor will be held responsible or liable in any way, whether contained, portrayed, illustrated or represented by or contained in, any plan, drawing, brochure, display, model, sales office or any other sales/marketing materials, or alleged against its agent or any sales representative, other than as expressed herein in writing.

19. **VARIATION OF CONDOMINIUM DOCUMENTS**

The Purchaser acknowledges that the Condominium Documents including the budget statement for the one year period immediately following registration of the Condominium may vary from the proposed Condominium Documents and proposed budget statement given to the Purchaser when entering into this Agreement, and the Purchaser further hereby acknowledges and agrees that the ultimate features of the Condominium and the ultimate content and composition of the Property may vary from the intended features of the Condominium and the intended content and composition of the Condominium as related to the Purchaser or as shown or illustrated in any promotional literature, sales brochures, models, sales office, sketches or any other documents or illustrations shown or given to the Purchaser when entering into this Agreement. The Purchaser hereby acknowledges and agrees that if there is a material amendment to any of the documentation or information contained in any of the Condominium Documents as a result of any of the foregoing described events or situations that affects the Disclosure Statement viewed as a whole, to a material extent, the Purchaser's only remedy or recourse in such event shall be restricted to rescission of this Agreement within ten (10) days of the Purchaser receiving notice of such material amendment (subject to the rights of the Vendor under the Act), and under no circumstances shall the Purchaser have any claim or cause of action for damages and/or for specific performance of this Agreement, notwithstanding any rule of law or equity to the contrary. The Purchaser consents to any amendment required by the Vendor to the Creating Documents, whether after or before the Closing Date, with respect to structural changes or boundary amendments or variations in connection with any unit owned by the Vendor or declarant so long as the Purchaser's proportion of contribution to the common expenses is not thereby materially increased, except as contemplated in the Condominium Documents.

20. **REGISTRATION COSTS**

- (a) The Vendor and the Purchaser each agree to pay the cost of registration of their own documents and any tax in connection therewith. Notwithstanding the generality of the foregoing, the Purchaser agrees to pay all land transfer taxes in connection with the registration of the transfer, including, but not limited to all applicable, provincial land transfer tax, municipal land transfer tax and any non-resident speculation tax, including, without limitation, the non-resident sales tax, and undertakes to register the transfer on the Closing Date.
- (b) If a business transfer tax or value added tax or sales tax or similar method of taxation is imposed by the Government of Canada or Ontario or any other Governmental Authority prior to the Closing Date, or prior to the final payment of the unpaid balance of the Purchase Price herein, and such tax or taxes are applied to the sale of the Property or against any component, building material or service relating to the construction of the Property or the Condominium, then, notwithstanding anything else contained herein, the Purchaser acknowledges and agrees that the Purchase Price as set out in this Agreement has been computed without taking into account any such tax and that the said Purchase Price shall be increased by the amount of tax eligible in respect of the Property or otherwise with the construction of the Property or the Condominium, with the amount of such increase being paid at the earlier of the Occupancy Date or the Closing Date or as soon thereafter as the amount of the said tax can be calculated and the Purchaser hereby charges the Property in favour of the Vendor, with such amount owing to be secured by a Vendor's lien, charge or caution on and against the Property. If any tax whether categorized as a business transfer tax, a modified HST, value added tax or any other type of tax whatsoever including without limitation HST is levied or charged in connection with the termination of this Agreement by reason

of the Purchaser's default, the Purchaser shall be solely responsible for paying such taxes and/or reimbursing the Vendor therefor thereafter together with any penalties or interest imposed thereon, whether or not the legislation imposing same may place responsibility for payment thereof onto the Vendor.

21. **RISK**

The Building and all equipment contained therein shall be and remain at the risk of the Vendor until Closing. In the event of any physical damage to the Building or the Property (or to any portion thereof and/or all improvements and any work undertaken by the Purchaser caused by fire, explosion, flood, lightning, tempest, act of God, act of war or act of terrorism, or by any other insurable peril occurring prior to the final closing of this transaction (and whether before or during the Purchaser's occupancy of the Residential Unit) which renders the Residential Unit uninhabitable, then it is understood and agreed that:

- (a) if any such damage can be substantially repaired within one (1) year from the date of the damage occurring, as determined jointly by the Vendor and the Consultant acting reasonably (and which determination shall be final and binding on the parties hereto, and not subject to challenge or appeal under any circumstances whatsoever), then such damage shall be deemed and construed to constitute an "Unavoidable Delay", as such term is defined in section 1 of the Tarion Addendum, in which case the provisions pertaining to Unavoidable Delay and the corresponding extension of the Occupancy Date outlined in section 7 of the Tarion Addendum shall apply and prevail in such circumstances, and if the Purchaser has already taken possession of the Residential Unit at the time of such damage, then the Purchaser's existing occupancy of the Property shall thereupon be temporarily suspended for the duration of the Unavoidable Delay Period (as such term is defined in section 1 of the Tarion Addendum), and the Occupancy Fee so payable by the Purchaser to the Vendor shall correspondingly be abated and suspended during and throughout the Unavoidable Delay Period; and
- (b) if the Mortgagee elects to appropriate all (or substantially all) of the available insurance proceeds (if any) so triggered by such damage to reduce, *pro tanto*, the Vendor's outstanding indebtedness to it, and/or is unwilling to lend or advance any monies required to rebuild and/or repair such damage, or if such damage cannot be substantially repaired within one (1) year from the date of the damage occurring, as determined jointly by the Vendor and the Consultant acting reasonably (and which determination shall be final and binding on the parties hereto, and not subject to challenge or appeal under any circumstances whatsoever), then in either case such damage shall be deemed and construed for all purposes to have frustrated the completion of this transaction and this Agreement, and if the Purchaser has already taken possession of the Residential Unit at the time of such damage, then the Purchaser's existing occupancy of the Property shall thereupon be forthwith terminated, and all monies paid by the Purchaser on account of the Purchase Price (inclusive of all monies paid to the Vendor for extras and/or upgrades) shall be fully refunded to the Purchaser, together with all interest accrued thereon at the prescribed rate, and the Vendor shall not be liable for any costs and/or damages incurred by the Purchaser thereby whatsoever, whether arising from (or in connection with) the termination of the Purchaser's existing occupancy of the Property, or the termination of this transaction, by virtue of the frustration of this Agreement occurring through no fault of the Vendor.

22. **RIGHT OF RE-ENTRY**

Notwithstanding the closing of this transaction, including the Purchaser's occupancy of the Property, the Vendor or any of its authorized representatives shall be entitled at all reasonable times to enter the Condominium (including the Property) in order to make inspections, and to do any work or repairs therein or thereon which may be deemed necessary by the Vendor, in its sole discretion, in connection with the completion, servicing or rectification of any installations in the Property or any other part of the Condominium, any part of the common elements of which the owner has the exclusive use and/or the common elements of the Condominium. This right is in addition to any other rights and easements created under the Act and/or by any documents registered or to be registered on title to the Condominium. Without limiting the generality of the foregoing, if the reason for entering into the Property is to complete the warranty obligations of the Vendor, the Purchaser covenants to ensure that any occupant of the Property shall promptly and actively co-operate in providing entry and access into the Property to complete all work and correct all deficiencies. The Purchaser further agrees to sign an acknowledgement for all work completed to the Purchaser's satisfaction.

23. **DEFAULT AND REMEDIES**

- (a) The remedies in this paragraph and in the remainder of this Agreement are cumulative and alternative. Where the remedies differ, they shall be deemed to be alternative and the Vendor may defer any election among them or, in its discretion, pursue all remedies simultaneously.
- (b) An act of default by the Purchaser is a breach of any promise, covenant, obligation or representation made by the Purchaser in this Agreement, and includes a breach by the Purchaser before both the Occupancy Date and the Closing Date, even if the breach is not described explicitly in this Agreement as an act of default. Upon learning of an act of default by the Purchaser prior to both the Occupancy Date and the Closing Date of this Agreement the Vendor shall be entitled to any remedy explicitly given to the Vendor by this Agreement and/or to terminate this Agreement with liability to the Purchaser and/or any other remedy permitted by law. The termination of this Agreement with liability to the Purchaser shall entitle the Vendor at its sole option and in its unfettered discretion to each of the following and any combination thereof:
 - (i) to retain the deposit(s) and all monies paid for extras and upgrades as liquidated damages and not as penalty and without limiting the Vendor's claim for damages in excess of such sums;
 - (ii) to require the Purchaser to perform the Agreement and/or pay damages for breach of this Agreement;
 - (iii) to recover from the Purchaser all damages and losses arising from the Purchaser's default as may be permitted by law; and
 - (iv) the Vendor is entitled to its full indemnity costs against the Purchaser either to enforce its rights or to defend any claim or counterclaim by the Purchaser in an action or any arbitration on a full indemnity basis.
- (c) The Vendor is not obliged to elect a remedy until the conclusion of an arbitration or action, is not obliged to give notice to the Purchaser of any default, and is not obliged to permit the Purchaser to remedy its default, but may do so without waiver of its rights herein.
- (d) The Vendor may terminate this Agreement with liability to the Purchaser by reason of the failure of the Purchaser to pay in full the funds payable to the Vendor for upgrades or extras or on the Occupancy Date or on the Closing Date or on any other date when the payment of funds are required by this Agreement.
- (e) In addition to anything contained herein, if this Agreement is terminated by the Vendor by reason of an act of default by the Purchaser after the Purchaser has obtained possession of the Property, then the Purchaser shall, on seven (7) days written notice, vacate the Property. If the Purchaser has entered into occupancy of the Property, in addition to any deposit or other monies paid by the Purchaser, the Purchaser shall reimburse the Vendor for an amount estimated and required by the Vendor to make repairs to the Property and common elements made necessary by such occupancy. The Purchaser shall execute such releases and any other documents or assurances as the Vendor may require, in order to confirm that the Purchaser, in accordance with the terms of this Agreement, does not have, any interest whatsoever in the Property, the Condominium and/or this Agreement, and in the event the Purchaser fails or refuses to execute same, the Purchaser hereby appoints the Vendor to be his/her lawful attorney in order to execute such releases, documents and assurances.

- (f) If, before or after the Closing Date the Vendor is required to pay any lien, execution or encumbrance created or caused by the Purchaser in order to obtain a mortgage advance, the Purchaser shall reimburse the Vendor for all amounts and costs so paid and for the Vendor's full indemnity legal costs plus HST, with a minimum fee of \$500.00 plus HST.
- (g) The Purchaser shall be liable to the Vendor for all of the Vendor's costs, losses and expenses arising from any default of the Purchaser either before or after termination or completion, and whether there is termination or completion of this Agreement. If the Agreement is completed, the Vendor is entitled to collect such costs, losses and expenses on the Closing Date either by an adjustment to the Purchase Price or by registering a Vendor's Lien in priority to any and all mortgages. The Purchaser shall not be entitled to dispute the said costs, losses and expenses on the Closing Date but shall be limited to an action or to arbitration after the Closing Date.
- (h) The Tarion Addendum reflects the Warranty Program's policies, regulations and/or guidelines on extensions of the Occupancy Date, but it is expressly understood and agreed by the parties hereto that any failure to provide notice(s) of the extension(s) of the Occupancy Date, the provisions of the Tarion Addendum shall only give rise to a damage claim by the Purchaser against the Vendor up to a maximum set out in the Plan Act and under no circumstances shall the Purchaser be entitled to terminate this transaction or otherwise rescind this Agreement as explicitly provided by the Plan Act.
- (i) Notwithstanding any other term of this Agreement, the Purchaser acknowledges and agrees that if any amount, payment and/or adjustment which is/are due and payable by the Purchaser to the Vendor or the Vendor's Solicitors pursuant to this Agreement are not made and/or paid on the date due, but are subsequently accepted by the Vendor, notwithstanding the Purchaser's default, such amount, payment and/or adjustment shall, until paid, bear interest at the rate equal to twelve percent (12%) per annum above the bank rate as defined in subsection 19(2) of O. Reg. 48-01 of the Act at the date of default.
- (j) If the Purchaser is a non-resident of Ontario at the time any arbitration or action is commenced, the Purchaser attorns to the jurisdiction of Ontario and by this document agrees to accept the jurisdiction of an arbitration conducted in Ontario and if a matter relating to an arbitration or any other matter is before the Courts of the Province of Ontario, the Purchaser attorns to the jurisdiction of the Courts of the Province of Ontario.

24. **TERMINATION WITHOUT DEFAULT**

- (a) If this Agreement is terminated pursuant to the Tarion Addendum, then the Vendor shall pay to the Purchaser all moneys and interest prescribed to be paid by the Tarion Addendum.
- (b) If this Agreement is terminated after the Occupancy Date without default by the Purchaser, then:
 - (i) If the reason for the termination is described in the Tarion Addendum, then money shall be payable as set out in the Tarion Addendum;
 - (ii) If the termination is for any other reason, then all deposit monies paid by the Purchaser towards the Purchase Price, together with any interest required by law to be paid, shall be returned to the Purchaser; provided however, that the Vendor shall not be obligated to return any monies paid by the Purchaser as an Occupancy Fee;
 - (iii) The Purchaser acknowledges that the Occupancy Fee is paid for the benefit of the Purchaser's use of the Property, and the Purchaser shall receive as a refund only the Occupancy Fee for the entirety of any month in which the Purchaser did not have control or use or possession of any part of the Property after the date of termination.
- (c) For greater certainty, in no instance shall the Vendor be liable for any other costs or claims or damages whatsoever, including, without limitation, any loss of bargain, relocation costs, loss of use of deposit monies or for any fees, professional or otherwise, expended in relation to this transaction. The Purchaser acknowledges and agrees that the foregoing may be pleaded by the Vendor as an estoppel to any action brought by the Purchaser.
- (d) The Vendor may deduct by way of set off from any money payable to the Purchaser pursuant to this paragraph those sums payable by the Purchaser by reason of any default by the Purchaser prior to the date of termination and any other sums that are payable by the Purchaser under this Agreement, including extras and upgrades and other fees or costs where the Purchaser's liability for such sums predates the date of termination. The Vendor may also deduct from any money payable by the Purchaser a reasonable allowance (but in any case not less than \$10,000) as a security deposit for any damages caused to the Condominium by the Purchaser's occupancy therein, which sum shall be adjusted as set out in Schedule "H".

25. **OTHER REMEDIES AND AMENDMENTS**

- (a) The Vendor and the Purchaser agree that any right or obligation of either party dealt with under the Plan Act shall be performed by them in accordance with this Agreement and the Plan Act, including:
 - (i) The standards for workmanship material and timeliness;
 - (ii) The criteria used to measure or evaluate a warranty claim, including the dollar amounts; and
 - (iii) As set out in this Agreement.
- (b) Without limiting the generality of this paragraph, in any arbitration the Purchaser and Vendor agree that the outcome and quantum of a claim which could be asserted as a warranty claim (even if claimed as a contract claim, a misrepresentation, a tort, or some other legal duty) shall be decided using the criteria, standards, and amounts used and applied by the Warranty Program and the Licence Appeal Tribunal under the Plan Act, and that no other or greater criteria, standards, or amounts shall be applicable or awarded.
- (c) The Purchaser acknowledges that its rights and remedies and the limitations thereto are fully set forth in this Agreement, and the Purchaser has no other causes of action or remedies except as set out in this Agreement or the terms of the Ontario New Home Warranties Plan Act or any requirements of the Tarion Warranty Corporation. The Purchaser's right to terminate or rescind this Agreement are for those events set out expressly in this Agreement, including the Addendum, and no others. Any other claim by the Purchaser whether before or after Closing (including for conduct predating the signing of this Agreement by the Purchaser and the Vendor) shall be actionable only by way of a compensation claim.
- (d) The Purchaser's right to terminate this Agreement before or after the Closing Date and/or rescind this Agreement are for those events set out expressly in this Agreement, including the Tarion Addendum, and no others. Any other claim by the Purchaser (including for conduct predating the signing of this Agreement by the Purchaser and the Vendor) shall be actionable only by way of a compensation claim. The Purchaser on behalf of the Purchaser and Condominium Corporation hereby releases the Vendor, its employees, officers, directors, owners, sales representatives, the Vendor's trades, experts and lawyers, the Vendor's related and affiliated corporation and the applicable Governmental Authorities from any and all causes of action against each and any of them

(including but not limited to actions in contract, tort, real and personal property law, trust law, fiduciary duty, and unjust enrichment) except for any remedy explicitly given to the Purchaser against the Vendor either in this Agreement or by the Act and the Plan Act.

- (e) The Purchaser hereby releases the Vendor, its employees, officers, directors, owners, sales representatives, the Vendor's trades, experts and solicitors and the Vendor's related and affiliated corporations from any causes of action against each and any of them except for any remedy explicitly given to the Purchaser against the Vendor either in this Agreement, the Act or the Plan Act. For greater certainty, all remedies available to the Purchaser are deemed to exclude:
- (i) damages for mental distress, loss of enjoyment, or loss of a personal preference or personal choice;
 - (ii) punitive and/or exemplary damages;
 - (iii) substantial indemnity costs, except for such costs as may be awarded by an offer to settle by an arbitrator or under the Rules of Civil Procedure; and
 - (iv) initiating or joining a class action proceeding against the Vendor and/or any person released herein, and the Purchaser irrevocably elects to opt out of any class action against the Vendor and other persons released herein.

The Purchaser acknowledges that its rights and remedies and the limitations thereto are fully set forth in this Agreement. The Purchaser's right to terminate or rescind this Agreement are for those events set out expressly in the Act, this Agreement or in the Tarion Addendum and no others. Any other claim by the Purchaser whether before or after Closing (including for conduct predating the signing of this Agreement by the Purchaser and the Vendor) shall be for compensation only and pursuant to binding arbitration, to the extent permitted by this Agreement

- (f) The Purchaser agrees and acknowledges that for any dispute with the Vendor it is in the best interest of the Purchaser and the Vendor not to delay or defer any obligation of the Purchaser by a dispute over the liability for payment or the amount payable. The Purchaser shall accordingly have no right to reduce any sums payable to the Vendor or claimed by the Vendor, but is entitled to pay the same under protest and with a reservation of rights. The Purchaser further agrees to waive any right of set off, counterclaim or to delay or postpone or defer any of the Purchaser's obligations herein, and to pay the sum claimed by the Vendor forthwith. In order to preserve the Purchaser's rights to dispute the payment, the Purchaser must put the words "paid under protest" or "paid under compulsion" or "paid reserving my rights" or other similar and unambiguous wording on the cheque or in a written notice or letter delivering the cheque or performing the obligation. Failure to give this notice in writing prior to making payment constitutes an irrevocable waiver of the right and an irrevocable election not to dispute the payment or the obligation, and is a full and complete estoppel to such claim, unless the claim may be made later pursuant to the Plan Act.
- (g) The Purchaser hereby releases the Vendor, its employees, officers, directors, owners, sales representatives, the Vendor's trades, experts and solicitors, the Vendor's related and affiliated corporations, the subdivider, and the applicable Municipalities and public authorities, and the Property from any and all causes of action against each and any of them (including but not limited to actions in contract; tort, real and personal property law, trust law, fiduciary duty, and unjust enrichment) except for any remedy explicitly given to the Purchaser against the Vendor either in this Agreement or the terms of the Ontario New Home Warranties Plan Act or any requirements of the Warranty Program.
- (h) For greater certainty,
- (i) the only entities with any liability to the Purchaser is the Vendor, and the Purchaser on behalf of the Purchaser and the Condominium Corporation covenants and agrees that no claim shall be made against the declarant of the Condominium and any trade, subtrade, supplier of the Vendor or the declarant or against sales agent or broker, Consultant, lawyer or other person, corporation, or Governmental Authority, or any officer, director, employer, servant, or agent of any of the same.
 - (ii) except as may otherwise be set out in this Agreement, any claim arising from an alleged misrepresentation by the Vendor, the declarant, or any sales agent, if legally valid, shall be a remedy for damages only, and only if not otherwise excluded by this Agreement.
 - (iii) the Purchaser is entitled to damages in lieu of specific performance and/or damages assessed as of any date, other than the date of breach, only if the Purchaser proves that the Purchaser was always ready, willing, able, prompt, desirous and eager to complete all of the Purchaser's financial obligations on every date when such payments was due or such obligation was to be performed.
- (i) If at any time before the Occupancy Date or the Closing Date, as the case may be, the Vendor or its lawyer wrongly terminates this Agreement by reason of the alleged default of the Purchaser, and the Purchaser is not in default or believes he or she is not in default, the Purchaser shall not be entitled to treat the wrongful termination by the Vendor as grounds to terminate the Agreement, or to rescind the Agreement, or to enforce the Agreement, or to deny liability in a proceeding unless and until:
- (i) the Purchaser offers to complete the Agreement by a written notice with an offer to the Vendor's Solicitors to complete the Agreement within 5 business days of the date of receipt of the notice, and
 - (ii) the Vendor's Solicitors accept the offer by written notice within the 5 Business Days of receipt of the notice and either appoints a new Closing Date in the acceptance letter or confirms the existing Occupancy Date or Closing Date, as the case may be.

The Purchaser shall be entitled to any applicable delay damages pursuant to the Tarion Addendum, but to no other damages or claims. The acceptance of the Purchaser's offer by the Vendor constitutes a waiver by the Purchaser of all prior breaches of the Agreement by the Vendor a revocation of any termination of the Agreement, and a re-installment of the Agreement. Except for a delayed closing claim pursuant to the Tarion Addendum this paragraph can be pleaded against the Purchaser as a complete waiver or estoppel in any other proceeding between the Vendor and the Purchaser.

- (j) The parties acknowledge that there are no representations, warranties, collateral agreements or conditions affecting this agreement or the property or the condominium except as contained in this agreement for which the vendor can be held responsible or liable for in any way, whether contained, portrayed, illustrated or represented by, or in, any plan, drawing, brochure, artist's renderings, display, model or any other sales or marketing materials, including without limitation, any statements or representations made by real estate agents, employees of real estate agents, brokers or employees of the Vendor, and this Agreement supersedes all prior negotiations between the Vendor and the Purchaser, whether written or verbal, with respect to the subject matter of this Agreement. The Purchaser acknowledges that any oral statements made concerning the Property, the Condominium or the Unit before the date of this Agreement did not induce the Purchaser to enter into this Agreement and do not constitute a variation of this Agreement.
- (k) This Agreement cannot be terminated or modified or amended except by a written document executed in writing by the parties, or by a written letter or letters by the parties' lawyers, or as set out in the Tarion Addendum. The sales representative of the Vendor does not have the authority to promise a change or amendment to the Agreement, a limitation of any remedy of the Vendor, or a termination of

the Agreement, and no email, promise of a sales representative or officer of the Vendor is valid unless and until signed by the Vendor. Conduct does not constitute a waiver of the requirement for a written document to terminate or modify or amend this Agreement.

- (l) A waiver by the Vendor of any breach of covenant or act of default by the Purchaser or failure by the Vendor to enforce its rights herein shall not constitute any further waiver of the Vendor's rights.

26. **DISPUTE RESOLUTION**

The Purchaser and the Vendor agree that any claim, dispute, or controversy (whether in contract, tort, or otherwise, whether pre-existing, present or future, and including statutory, common law, intentional tort and equitable claims) that the Vendor may have against the Purchaser or that the Purchaser may have against the Vendor or its affiliates, successors or assigns or any of their affiliates (collectively, the "Vendor Companies" or any one, "Vendor Company") or its agents, employees or principals arising from or relating to this Agreement, its interpretation, or the breach, termination or validity thereof, the relationships which result from this Agreement (including, to the full extent permitted by applicable law, relationships with third parties who are not signatories to this Agreement), the Purchaser's purchase or use of the Property, the Condominium and/or the Unit or related purchase or the subdivision services (any of the foregoing being a "Claim") shall be resolved exclusively and finally by binding arbitration pursuant to the *Arbitrations Act*, 1991 (Ontario), as amended or replaced from time to time. Such arbitration shall be the exclusive forum for the resolution of any Claim by the Purchaser against the Vendor, and the Purchaser hereby agrees that it will not bring or participate in a Claim in any court whether directly, indirectly, by counterclaim or otherwise. In addition, the Purchaser shall not be entitled to join or consolidate claims by other purchasers, or arbitrate a claim as a representative of a class action or participate as a member of any class action with respect to any claim. The Purchaser and Vendor agree that if and to the extent that any provision of this paragraph is found contradictory to, or cannot be applied due to, the requirements of the Ontario New Home Warranties Plan Act and/or the Taron Addendum or other applicable Ontario law, such provision shall not be applied in the circumstances but the remainder of this paragraph shall remain in force and effect and otherwise fully applicable and enforceable to the maximum extent allowable.

The Purchaser agrees that service on it of any documents, including a notice to arbitrate or any originating process in relation to proceedings in court are deemed to be validly served on it if they are served by regular mail to its address shown in the Taron Addendum and provided a copy of the document is provided to the Purchaser's Solicitors at the last known address provided by the Purchaser's Solicitors or the Purchaser.

27. **TIME OF THE ESSENCE**

Time shall be of the essence of this Agreement in all respects, and any waiver, extension, abridgement or other modification of any time provisions shall not be effective unless made in writing and signed by the parties hereto or by their respective solicitors who are hereby expressly authorized in that regard.

28. **NON-MERGER**

All of the Purchaser's covenants, warranties, obligations and agreements herein contained in this Agreement, shall not merge on the Closing Date, but shall remain in full force and effect according to their respective terms, notwithstanding the conveyance to the Purchaser of title to the Property and the payment of the Purchase Price. The Purchaser shall give further written assurances as to the non-merger of the Purchaser's covenants, on Closing, if so requested by the Vendor. All of the Vendor's covenants, warranties, obligations and agreements herein contained expire at the later of the limitation period of a warranty under the Plan Act, a limitation period under the Act or two years after the Closing Date.

29. **SUCCESSORS AND ASSIGNS**

This Agreement shall enure to the benefit of and be binding upon the parties and their respective personal representatives, and heirs, successors and permitted assigns. In the event of the assignment by the Vendor of this Agreement, to the extent that the assignee thereof assumes the covenants and obligations of the Vendor hereunder, the Vendor shall thereupon and without further agreement, be freed and relieved of all liability with respect to this Agreement.

30. **ELECTRONIC CONSENT AND CLOSING SYSTEM**

(a) **ELECTRONIC CONSENT TO THE DELIVERY OF DOCUMENTS IN ELECTRONIC FORMAT**

Pursuant to the provisions of the *Electronic Commerce Act 2000*, S.O. 2000, as amended, the Purchaser hereby: (i) consents to the use of electronic signatures and agrees that this Agreement and all agreements or documents required or desirable to give effect to this Agreement may be executed by electronic means in any number of counterparts and transmitted to the other party or their counsel by facsimile, email or other form of electronic transmission in accordance with Paragraph 12 of this Agreement, and any such electronic execution and delivery is equivalent to the delivery of print versions of the documents bearing manual ink signatures and counterparts together constitute one and the same agreement; and (ii) consents to the delivery by the Vendor or the Vendor's Solicitors of the Condominium Disclosure Statement and the documents accompanying same and any amendments thereto (including without limitation, any amendments to the Disclosure Statement, and any documents pertaining to the interim occupancy closing and/or final closing of this transaction, and any other information and/or documentation pertaining to this transaction such as the Form 4 Certificates issued in connection with the Purchaser's deposit cheques, pursuant to section 81(6) of the Act), in electronic format including without limitation, by copying such documents onto a computer disk that is delivered to the Purchaser or the Purchaser's Solicitors (instead of being in paper format), or by delivering same via e-mail at the e-mail address of the Purchaser or the Purchaser's Solicitors, or by posting such information or documentation on the internet via the password-protected customer website utilized by the Vendor to communicate with the Purchaser, if the Vendor chooses to do so. In addition, the Purchaser acknowledges and agrees that copies of the registered declaration and by-laws of the Condominium (including any agreements authorized by any of the by-laws) may be delivered to the Purchaser's Solicitors via the Vendor's electronic closing system described in Paragraph 30(b) hereof, rather than being delivered directly to the Purchaser or the Purchaser's Solicitors in paper format.

(b) **ELECTRONIC CLOSING SYSTEM**

It is understood and agreed that the Vendor may utilize the services of an internet-based electronic transaction management system to assist the Purchaser, the Vendor, and their respective solicitors in preparing the documents (and managing the procedures) required to complete the interim occupancy closing and the final closing of this transaction (hereinafter referred to as the "**Electronic Closing System**") through a secure password protected internet website utilized by the Vendor or its solicitors (hereinafter referred to as the "**eClose website**"). As such, the Purchaser acknowledges and agrees that the Vendor's or its solicitors delivery of some or all of the interim closing and/or final closing documents, as well as some or all of the Condominium Documents, and/or any amendments to same (including any amendments to the Disclosure Statement, any revised budget statement and/or any status certificate or accompanying documentation) may be delivered electronically, by the Vendor or the Vendor's Solicitors uploading any such documentation on the internet, via the eClose website, and making same available for downloading (and ultimately for photocopying) by the Purchaser's Solicitors (or alternatively, if the Vendor's Solicitors so choose, by the Vendor's Solicitors e-mailing such documentation directly to the Purchaser's Solicitors), and delivery by such means shall be considered acceptable and effective for all purposes. In light of the foregoing, the Purchaser shall be obliged to retain a lawyer who is in good standing with the Law Society of Upper Canada and who either:

- (i) is (or following the execution of this Agreement, takes all necessary steps to become) a registered user of the Electronic Closing System administered by eClose Guaranteed Inc., or any other entity selected by the Vendor (the particulars of which can be obtained through the Vendor's Solicitors), to facilitate both the interim occupancy closing and the final closing of this transaction; or
- (ii) declines to become a registered user of the Electronic Closing System or is otherwise unable or unwilling to access and/or utilize the Electronic Closing System to facilitate both the interim occupancy closing and the final closing of this transaction, in which case, the Purchaser acknowledges that the Vendor's Solicitors shall then be required to employ additional non-electronic systems and procedures in order to communicate with the Purchaser's Solicitors in completing this transaction, and the Purchaser shall correspondingly be obliged to pay to the Vendor's Solicitors (or correspondingly reimburse the Vendor on Closing for) all additional legal fees and ancillary disbursements which may be incurred by the Vendor or charged by the Vendor's Solicitors in order to implement such additional non-electronic systems and procedures (with the Vendor's Solicitors' legal fees for implementing same being a minimum of \$500 plus HST, for each of the interim closing package and/or the final closing package, and with such fees being subject to increase, from time to time, without any requirement or obligation to notify the Purchaser of same prior to closing). The Purchaser's failure to remit a certified cheque for such fees (made payable to the Vendor's Solicitors) on the interim closing or final closing of this transaction (as the case may be) shall automatically entitle the Vendor and the Vendor's Solicitors to refuse to complete this transaction and to refrain from providing occupancy of the Unit to the Purchaser and/or to refrain from electronically releasing the deed/transfer of title to the Property to the Purchaser's Solicitors.

Notwithstanding the utilization of the Electronic Closing System to manage and complete this transaction, it is nevertheless understood and agreed that the issues of tender, and the delivery and/or exchange of documents, monies and keys to the Property, and the release thereof to the Vendor and the Purchaser (as the case may be), shall continue to be governed by (and be subject to the overriding provisions of) paragraph 5 hereof.

31. **STATUS CERTIFICATE**

The Purchaser hereby authorizes the Condominium Corporation, when created, to issue a certificate in the form prescribed by the Act, stating any arrears on account of common expenses owed by the Vendor.

32. **MISCELLANEOUS**

- (a) The meanings of the words and phrases used in this Agreement and in any schedules annexed hereto shall have the meanings ascribed to them in the Act, unless this Agreement or the context otherwise requires a different meaning for same. This Agreement shall be read with all changes in gender and number required by the context. Any headings used throughout this Agreement are for ease of reference only, and shall not be deemed or construed to form a part of this Agreement. Execution of this Agreement by facsimile transmission shall be binding upon each party hereto and upon the parties so signing by facsimile transmission. This Agreement may be executed in counterpart.
- (b) Where the Purchaser is a corporation, or where the Purchaser is buying in trust for a corporation to be incorporated, or where the Purchaser is buying in trust for another individual(s), the execution of this Agreement by the principal or principals of such corporation, or by the person named as the Purchaser in trust for a corporation to be incorporated or other individual(s), as the case may be, shall be deemed and construed to constitute the personal guarantee of such person or persons so signing with respect to the obligations of the Purchaser herein. The naming of the beneficiary in the Agreement or the adoption or ratification of the Agreement by the beneficiary, by another party, or by a corporation, does not remove the liability of the Purchaser for any act of default before or after ratification. The beneficiary of the Purchaser's trust shall be deemed for all purposes to be the partner of the Purchaser, and shall be jointly and severally liable with the Purchaser to honour all of the obligations of the Purchaser and for damages for any act of default of the Purchaser. If there is more than one Purchaser under this Agreement, all covenants, promises, agreements and other obligations of the Purchaser as set out in this Agreement shall be deemed and construed to be, and shall be fully binding as, the joint and several covenants, promises, agreements and obligations of each and every Purchaser. For greater certainty, any default by one Purchaser hereunder shall constitute a default by each and every other Purchaser, for which each and every Purchaser shall be jointly and severally liable.
- (c) The Purchaser further agrees that any person who takes title to the Property as a beneficiary and/or pursuant to a direction or authorization signed by the Purchaser shall be deemed for all purposes to have signed this Agreement through the agency of the Purchaser, or to be the partner of the Purchaser(s), and to be bound by the Agreement. Notwithstanding any other term in this Agreement, the Vendor may demand as a condition precedent to the Vendor's obligation to complete the transaction on the Occupancy Date and/or the Closing Date that any person referred to as a beneficiary and/or in a direction or authorization as a person to be named as a transferee shall sign an acknowledgement on the Vendor's form agreeing to be bound by this Agreement. The completion of this Agreement on the Occupancy Date and/or the Closing Date without an acknowledgement is not a waiver of the Vendor's right to demand the acknowledgement. It is an act of default by the original Purchaser and transferee to refuse to provide the acknowledgement, and the Vendor may deliver on the Closing Date a transfer excluding such transferee. If the Purchaser does not take title to the Property on the Closing Date, the Purchaser is nevertheless still jointly and severally bound with the transferee(s) for all of the obligations of the Purchaser after closing as if he or she had received title.
- (d) Except for anything contrary to the Tarion Addendum, if any paragraph in this Agreement, or any clause or provision of any paragraph, or the application of the Agreement, paragraph, clause or provision therein to any circumstance shall be held to be invalid or unenforceable, then the remaining clauses, provisions and paragraphs of this Agreement or the application thereof to any circumstance shall be severed from this Agreement, the remainder shall not be affected by such holding, the unenforceable provision or paragraph shall be disregarded, the Agreement shall be interpreted as if such provision or paragraph were never included, and the Agreement shall continue to be valid and enforceable to the fullest extent permitted by law. In the case of anything contrary to the Tarion Addendum, the paragraph, clause or provision shall be limited or modified so that it shall comply with such requirement, but only to the extent necessary to make it comply with the Tarion Addendum. Whenever in this Agreement the Vendor or someone else may provide a certificate that is deemed to be conclusive and binding on the Purchaser, the Vendor has the unfettered right and discretion to determine who shall provide the certificate, and the Vendor's choice is deemed to be conclusive and binding on the Purchaser.
- (e) The Purchaser's initial deposit cheque will only be deposited by the Vendor following the expiry of the Purchaser's statutory 10-day rescission period, and statutory interest will only commence to accrue at the prescribed rate from and after the respective dates that the Purchaser's deposit cheques have been respectively deposited into the Vendor's Solicitors account for the project.
- (f) Acceptance by the Vendor of this offer shall be deemed to have been sufficiently made if this Agreement is executed by the Vendor on or before the Irrevocable Date without requiring any notice of such acceptance to be delivered to the Purchaser prior to such time. Without limiting the generality of the foregoing, acceptance of this offer (or any counter-offer with respect thereto) may be made by way of telefax transmission (or similar system reproducing the original) provided all of the necessary signatures and initials of both parties hereto are duly reflected on or represented by the telefaxed copy of the Agreement so transmitted, and such acceptance shall be deemed to have been effected or made when the accepted offer (or counter-offer as the case may be) is telefaxed to the intended party.
- (g) As soon as prescribed security for the said deposit monies has been provided in accordance with the Act, and any required replacement security has been provided by the Vendor to the Warranty Program, the Vendor's Solicitors shall be entitled to release such funds to the Vendor. The Purchaser acknowledges that the Vendor's Solicitors shall be entitled to release and disburse any deposits to the Vendor (or as the Vendor may direct), in excess of \$20,000.00 when one or more excess condominium deposit

insurance policies issued by any insurers selected by the Vendor authorized to provide excess condominium deposit insurance in Ontario insuring the deposit monies so withdrawn or intended to be withdrawn and delivers the said excess condominium deposit insurance policy or policies to the Purchaser or his/her solicitors. In the event that a cheque or bank draft is delivered to the Vendor by a third party on behalf of the Purchaser (i.e. drawn on the bank account of such third party rather than on the bank account of the Purchaser) then such bank draft or cheque shall be deemed to be a payment made by such third party as agent for and on behalf of the Purchaser, in which case it is agreed that the certificate confirming that such deposit monies are being held in a designated trust account by the Vendor's Solicitors pending the completion or termination of this transaction or the provision of prescribed security in respect of same (being Form 4 prescribed under the Act) shall be issued and delivered directly to the Purchaser only, and not to such third party.

- (h) The Vendor expressly reserves its right to market units in the Condominium in a block or blocks to investors. The portion of the units to the nearest anticipated 25% that the Vendor intends to lease is 0%. These percentage estimates may increase or decrease as market conditions for sales fluctuate.
- (i) This Agreement has been made in the Province of Ontario and for all purposes shall be construed in accordance with and shall be governed by the laws of the Province of Ontario.
- (j) The Purchaser acknowledges on his or her behalf and on behalf of the Corporation and agrees that notwithstanding any rights or causes of action which he or she might otherwise have at law or in equity arising out of this Agreement, neither he, she nor the Condominium shall assert any such rights nor have any claim or cause of action (as a result of any matter or thing arising under or in connection with this Agreement) against any person, firm, corporation or other legal entity other than the person, firm, corporation or legal entity specifically named or defined as the Vendor herein, even though the Vendor may be found to be a nominee or agent of another person, firm, corporation or other legal entity and this acknowledgement and agreement may be pleaded as an estoppel and bar against the Purchaser or the Corporation and any action or proceeding brought by the Purchaser to the Corporation to assert any of such rights, claims, or causes of action. The Purchaser further acknowledges that the Vendor may not be the registered owner of Lands and/or the Residential Unit or any other unit on the Closing Date. The Purchaser further acknowledges, and so accepts and agrees, that any representations, warranties, agreements, covenants and obligations contained herein or flowing from any document delivered pursuant to this Agreement will be those of the Vendor and not those of the registered owner of the Lands and/or any units, namely the declarant of the proposed Condominium. The Purchaser further acknowledges and so accepts that if the Vendor is not one and the same as the declarant, then in such event the declarant will be executing the declaration as registered owner of the Lands only, as required by the Act, and that save only for statutory liability under the Act regarding a shortfall in the first year operating budget of this Condominium, the declarant has no obligations or liabilities of any nature or kind whatsoever to the Purchasers (/residents) or to the Condominium. The Purchaser acknowledges that the Vendor may assign the benefit of these acknowledgements to the declarant and the Purchaser further acknowledges that this acknowledgement may be pleaded by the Vendor and/or the declarant as a bar or estoppel to any claim to the contrary.
- (k) In the event that any of the documents delivered by the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitors for execution by the Purchaser are signed in foreign characters or lettering (which bears no relation to the Purchaser's name in English, as same appears in the documents being executed) then the Purchaser agrees to ensure that his or her signature is duly witnessed and that a statement is added in English by such witness confirming that the witness saw the Purchaser sign the document after same had been read to the Purchaser and the Purchaser appeared to fully understand same.
- (l) The Purchaser acknowledges and so accepts that all obligations of the Vendor hereunder (inclusive of any covenants, representations, warranties or assurances) are those of the Vendor alone and not the registered owner of the Lands and the Purchaser covenants and agrees that the Purchaser shall have no recourse or entitlement to any claim whatsoever against the registered owner of the Lands for any obligations of the Vendor under this Agreement.
- (m) The Purchaser acknowledges and so accepts that all obligations of the Vendor hereunder (inclusive of any covenants, representations, warranties or assurances) are those of the Vendor alone and not the registered owner of the Lands and the Purchaser covenants and agrees that the Purchaser shall have no recourse or entitlement to any claim whatsoever against the registered owner of the Lands for any obligations of the Vendor under this Agreement.
- (n) The Purchaser acknowledges and agrees that if the Purchaser is party to an Additional Purchase Agreement, any default of the Purchaser under this Agreement shall constitute a default of the purchaser under the Additional Purchase Agreement and any default of the purchaser under the Additional Purchase Agreement shall constitute a default of the Purchaser under this Agreement. In either such event, the Purchaser agrees that all rights and remedies available to the vendor under either agreement with respect to default, including but not limited to those set out in Paragraphs 23 and 25 of Schedule "A" of this Agreement, shall apply with full force.

Schedule '1C' East Station

The Purchaser represents and agrees that it is not now, nor will it become before Closing, a party to another uncompleted agreement of purchase and sale for the purchase of a residential property with the Vendor or with any other vendor selling Mattamy-branded homes (an "**Additional Purchase Agreement**"). If the foregoing representation is or becomes false or if the foregoing agreement of the Purchaser is breached at any time (either such circumstance being a "**Breach**"), the Breach shall constitute a default of the Purchaser under this Agreement and shall constitute a default of the purchaser under the Additional Purchase Agreement. The Purchaser agrees that all rights and remedies available to the Vendor under either agreement with respect to default, including but not limited to those set out in paragraphs 23, 24 and 25 of Schedule "A" of this Agreement, shall apply with full force.

The Vendor may in its sole, subjective and absolute discretion choose to waive the Breach. However, to be binding, any such waiver must be in writing and refer explicitly to the Breach. The parties agree that in the absence of such explicit waiver of the Breach, and notwithstanding the Vendor's or its agents' knowledge of the Breach, the Breach shall be a continuing default and grounds for the exercise of the Vendor's remedies at any time, including but not limited to termination of the Agreement and the Additional Purchase Agreement.

In the event of a waiver by the Vendor of a Breach, any other default of the Purchaser under this Agreement shall constitute a default of the purchaser under the Additional Purchase Agreement and any default of the purchaser under the Additional Purchase Agreement shall constitute a default of the Purchaser under this Agreement. In either event, the Purchaser agrees that all rights and remedies available to the vendor under either agreement with respect to default, including but not limited to those set out in paragraphs 23, 24 and 25 of Schedule "A" of this Agreement, shall apply with full force.

In addition, in the event the Vendor waives a Breach, the Purchaser acknowledges and agrees that the Purchaser will not be credited under any circumstances with the Rebate described in paragraph 14 of Schedule "A", and the amount thereof shall be added to the Purchase Price as contemplated by paragraph 14(h), with respect to both this Agreement and the Additional Purchase Agreement.

- (c) **Subsequent Tentative Occupancy Dates:** The Vendor may, in accordance with this section, extend the First Tentative Occupancy Date on one or more occasions, by setting a subsequent Tentative Occupancy Date. The Vendor shall give written notice of any subsequent Tentative Occupancy Date to the Purchaser at least 90 days before the existing Tentative Occupancy Date (which in this Addendum may include the First Tentative Occupancy Date), or else the existing Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. A subsequent Tentative Occupancy Date can be any Business Day on or before the Outside Occupancy Date.
- (d) **Final Tentative Occupancy Date:** By no later than 30 days after the Roof Assembly Date, the Vendor shall by written notice to the Purchaser set either (i) a Final Tentative Occupancy Date; or (ii) a Firm Occupancy Date. If the Vendor does not do so, the existing Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. The Vendor shall give written notice of the Final Tentative Occupancy Date or Firm Occupancy Date, as the case may be, to the Purchaser at least 90 days before the existing Tentative Occupancy Date, or else the existing Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. The Final Tentative Occupancy Date or Firm Occupancy Date, as the case may be, can be any Business Day on or before the Outside Occupancy Date. For new Purchase Agreements signed after the Roof Assembly Date, the Vendor shall insert in the Statement of Critical Dates of the Purchase Agreement either: a Final Tentative Occupancy Date; or a Firm Occupancy Date
- (e) **Firm Occupancy Date:** If the Vendor has set a Final Tentative Occupancy Date but cannot provide Occupancy by the Final Tentative Occupancy Date then the Vendor shall set a Firm Occupancy Date that is no later than 120 days after the Final Tentative Occupancy Date. The Firm Occupancy Date can be any Business Day on or before the Outside Occupancy Date.
- (f) **Notice:** Any notice given by the Vendor under paragraph (c), (d) or (e) must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Occupancy Date – Three Ways

- (a) The Firm Occupancy Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Occupancy Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Occupancy Date is set in accordance with section 4 or 5, then the new date is the “Firm Occupancy Date” for all purposes in this Addendum.

3. Changing the Firm Occupancy Date – By Setting a Delayed Occupancy Date

- (a) If the Vendor cannot provide Occupancy on the Firm Occupancy Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Occupancy Date in accordance with this section, and delayed occupancy compensation is payable in accordance with section 7.
- (b) The Delayed Occupancy Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Occupancy Date but not later than the Outside Occupancy Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Occupancy Date as soon as the Vendor knows that it will be unable to provide Occupancy on the Firm Occupancy Date, and in any event at least 10 days before the Firm Occupancy Date, failing which delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date, in accordance with paragraph 7(c). If notice of a new Delayed Occupancy Date is not given by the Vendor before the Firm Occupancy Date, then the new Delayed Occupancy Date shall be deemed to be the date which is 90 days after the Firm Occupancy Date.
- (d) After the Delayed Occupancy Date is set, if the Vendor cannot provide Occupancy on the Delayed Occupancy Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Occupancy Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Occupancy Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical Dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser. For greater certainty, this Addendum does not restrict any extensions of the Closing date (i.e., title transfer date) where Occupancy of the home has already been given to the Purchaser.

Condominium Form (Tentative Occupancy Date)

- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
- (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed occupancy compensation payable; and
 - (iv) if the change involves extending either the Firm Occupancy Date or the Delayed Occupancy Date, then the amending agreement shall:
 - i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed occupancy compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed occupancy compensation payable by the Vendor for the period up to the new Firm Occupancy Date or Delayed Occupancy Date.

If the Purchaser for his or her own purposes requests a change of the Firm Occupancy Date or the Delayed Occupancy Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Occupancy Date or Delayed Occupancy Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Occupancy Date or Delayed Occupancy Date, as the case may be. Delayed occupancy compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed occupancy compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Occupancy Date or Delayed Occupancy Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Occupancy Date or Delayed Occupancy Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed occupancy compensation payable under section 7 is payable from the existing Firm Occupancy Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (i), (j) and (k) below. MAKING A COMPENSATION CLAIM

7. Delayed Occupancy Compensation

- (a) The Vendor warrants to the Purchaser that, if Occupancy is delayed beyond the Firm Occupancy Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes : (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the Occupancy Date or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed occupancy compensation is payable only if: (i) Occupancy and Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed occupancy compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Occupancy, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Occupancy Date to the Purchaser less than 10 days before the Firm Occupancy Date, contrary to the requirements of paragraph 3(c), then delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed occupancy compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed occupancy compensation in connection with a claim.
- (e) If delayed occupancy compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Occupancy or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed occupancy compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
- (i) includes the Vendor's assessment of the delayed occupancy compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delayed occupancy compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Occupancy. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.
- (g) If delayed occupancy compensation is payable, the Vendor shall either pay the compensation as soon as the proper amount is determined; or pay such amount with interest (at the prescribed rate as specified in subsection 19(1) of O.Reg. 48/01 of the *Condominium Act, 1998*), from the Occupancy Date to the date of Closing, such amount to be an adjustment to the balance due on the day of Closing.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code – Conditions of Occupancy

- (a) On or before the Occupancy Date, the Vendor shall deliver to the Purchaser:
- (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and Occupancy is permitted under the Building Code.

Condominium Form (Tentative Occupancy Date)

- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for Occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):
 - (i) the Purchaser shall not be entitled to delayed occupancy compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for Occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Occupancy, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the Occupancy Date.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Occupancy Date (or new Delayed Occupancy Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Occupancy Date (or new Delayed Occupancy Date), the Vendor shall comply with the requirements of section 3, and delayed occupancy compensation shall be payable in accordance with section 7. Despite the foregoing, delayed occupancy compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Occupancy has not been given to the Purchaser by the Outside Occupancy Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period, then the Purchase Agreement shall continue to be binding on both parties and the Delayed Occupancy Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Occupancy Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Occupancy is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in providing Occupancy alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies shall be calculated in accordance with the *Condominium Act, 1998*.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of extras, changes, upgrades or adjustments and as a result of such increase, the quantum of the Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the " Reduction "), then the Purchaser shall pay to the Vendor on the Closing Date (as determined by the Vendor in its sole discretion) the Reduction.

17.	Schedule "A", 11(e)	<p>In the event of a breach of the covenant under this paragraph, the Vendor shall, in addition to any other remedy, be entitled to take whatever steps are necessary to remove, correct or remedy any such work and the cost or expenses thereof plus a fifteen (15%) percent administration fee, plus HST, shall be paid forthwith upon demand to the Vendor, failing which the Vendor shall be entitled to terminate this Agreement.</p> <p>In addition to any other remedy granted to the Vendor by this Agreement, the Vendor (and/or the Condominium after registration of the Creating Documents if the alterations affect the common elements of the Condominium) shall be entitled to enter into the Property to remove, correct or remedy any such work and the costs or expenses thereof plus a fifteen percent (15%) management and supervision fee, plus HST, shall be paid by the Purchaser to the Vendor (or the Condominium Corporation, where applicable) within fifteen (15) days of written demand. No.	Reference in Purchase Agreement	Description
20.	Schedule "A", 14(d)	<p>The Purchaser shall indemnify and save the Vendor harmless from and against any and all loss, costs, damages, taxes and/or liability (including any HST or property taxes, plus penalties and interest thereon and any reasonable legal costs in connection therewith) which the Vendor may suffer, incur or be charged with as a result of:</p> <ul style="list-style-type: none"> (a) the Purchaser's failure to qualify for the GST Rebate or the HST Rebate; (b) the Purchaser having qualified initially but being subsequently not entitled to the GST Rebate or the HST Rebate; or (c) any amendment to the ETA, or applicable successor legislation, in force as at the date when HST becomes payable in respect of this purchase and sale transaction, the effect of which is to increase the rate of HST payable herein or to decrease the amount of the one or both of the Rebates, or both. <p>This indemnity shall survive indefinitely the completion or termination of the Purchase Agreement. It is understood and agreed by the parties hereto that should the Purchaser not qualify for the GST Rebate, if any is available, or the HST Rebate or fail to deliver to the Vendor the Rebate Form(s) (duly executed by the Purchaser) by the Closing Date, then notwithstanding anything contained herein (or in the Purchase Agreement) to the contrary, the Purchaser shall be obliged to pay to the Vendor, by certified cheque delivered on the Closing Date, an amount equivalent to the GST Rebate or HST Rebate, or both, as the case may be, as well as an amount of \$250.00 in legal fees, all in addition to the outstanding balance of the Purchase Price. It is further understood and agreed by the parties that in the event that the Purchaser intends to rent out the Property before or after the Closing Date, the Purchaser shall not be entitled to the Rebates, but may nevertheless be entitled to pursue, on his own after the Closing Date, the federal and provincial new rental housing rebates directly with CRA, pursuant to the ETA and the Regulations thereto.</p>
21.	Schedule "A", 14(e)	<p>The Purchaser's failure to pay or remit to the Vendor on the Closing Date the HST exigible in connection with this transaction, or if required pursuant to this paragraph 14 to deliver to the Vendor the Rebate Form(s), duly executed by Purchaser, or if required pursuant to this paragraph 14 to pay to the Vendor by certified cheque an amount equivalent to the GST Rebate or HST Rebate, shall constitute a fundamental breach of contract, entitling the Vendor to immediately terminate this Agreement and to retain all deposit monies theretofore paid (together with all monies paid for any extras or changes requested to be made to the Residential Unit) as its liquidated damages and not as a penalty, without prejudice to any other rights or remedies available to the Vendor at law or in equity.</p>
22.	Schedule "A", 14(f)	<p>Without limiting any of the foregoing provisions, the Purchaser further covenants and agrees that in the event that any assignment of the Purchase Agreement, amendment to the Purchase Agreement, novation to the Purchase Agreement, re-instatement of the Purchase Agreement or the acquisition of any upgrades or extras results in the GST Rebate or HST Rebate not being capable of being assigned, in whole, by the Purchaser to the Vendor, then the Purchaser shall pay to the Vendor such forgone amount by certified cheque on closing in the same manner as hereinbefore contemplated for repayment where purchasers do not qualify for the GST Rebate or HST Rebate.</p>
23.	Schedule "A", 14(g)	<p>Notwithstanding any provision herein to the contrary, if the Purchaser does not qualify for the Rebates, or any of them, or fails to deliver the requisite documentation in connection therewith or takes any action that might disentitle it from receiving the Rebates (such as a resale or rental listing), then, if discovered prior to Closing, the amount of the Rebates shall be paid to the Vendor on Closing or, if discovered after Closing, the Purchaser shall pay the Vendor by certified cheque the amount of the Rebates forthwith upon demand and shall indemnify the Vendor from any loss of the Rebates. Notwithstanding any provision to the contrary in this Agreement or in the applicable legislation, if at any time, in the view of the Vendor or the Vendor's Solicitors, the Purchaser's information might be inaccurate, incomplete or untruthful such that the Rebates, or any of them, may not be properly collected by the Vendor, the Vendor shall be entitled in its sole, subjective and absolute discretion to increase the Purchase Price by the amount of the Rebates and the Purchaser shall pay such additional sum on Closing.</p>
24.	Schedule "A", 14(h) & Schedule "1B"	<p>The Purchaser acknowledges and agrees that if, at any time on or before the Date of Closing, the Purchaser is or becomes a party to another uncompleted agreement of purchase and sale for the purchase of a residential property with the Vendor or with any other vendor selling Mattamy-branded homes (for the purposes of this paragraph and Paragraph 32(n) of this Agreement, an "Additional Purchase Agreement"), whether before or after the Date of Acceptance, the Purchaser will not be credited under any circumstances with the Rebate described in Paragraph 14 of Schedule "A", and the amount thereof shall be added to the Purchase Price as contemplated by Paragraph 14, with respect to both this Agreement and the Additional Purchase Agreement.</p> <p>In addition, the Purchaser acknowledges and agrees that if the Purchaser is party to an Additional Purchase Agreement, any default of the Purchaser under this Agreement shall constitute a default of the purchaser under the Additional Purchase Agreement</p>

No.	Reference in Purchase Agreement	Description
		and any default of the purchaser under the Additional Purchase Agreement shall constitute a default of the Purchaser under this Agreement. In either such event, the Purchaser agrees that all rights and remedies available to the vendor under either agreement with respect to default, including but not limited to those set out in paragraphs 23, 24 and 25 of Schedule "A" of this Agreement, shall apply with full force.
25.	Schedule "A", 15	The Purchaser acknowledges that HST is not included on that portion of the Purchase Price allocated to chattels in accordance with this paragraph 15. The remainder of the Purchase Price is allocated to realty for purposes of paragraph 2 of the Purchase Agreement. The Purchaser agrees to deliver to the Vendor's solicitor, a copy of the Affidavit of Residence and Value of the Consideration on or prior to the Closing Date, indicating that HST will be paid on the value of the chattels, as aforesaid. For the purposes of calculating HST, the Vendor shall allocate the Purchase Price as between realty (land and building) and any chattels included in the agreement as part of the Purchase Price.
26.	Schedule "A", 20(a)	The Vendor and the Purchaser each agree to pay the cost of registration of their own documents and any tax in connection therewith. Notwithstanding the generality of the foregoing, the Purchaser agrees to pay all land transfer taxes in connection with the registration of the transfer, including, but not limited to all applicable, provincial land transfer tax, municipal land transfer tax and any non-resident speculation tax, including, without limitation, the non-resident sales tax, and undertakes to register the transfer on the Closing Date.
27.	Schedule "A", 20(b)	If a business transfer tax or value added tax or sales tax or similar method of taxation is imposed by the Government of Canada or Ontario or any other Governmental Authority prior to the Closing Date, or prior to the final payment of the unpaid balance of the Purchase Price herein, and such tax or taxes are applied to the sale of the Property or against any component, building material or service relating to the construction of the Property or the Condominium, then, notwithstanding anything else contained herein, the Purchaser acknowledges and agrees that the Purchase Price as set out in this Agreement has been computed without taking into account any such tax and that the said Purchase Price shall be increased by the amount of tax eligible in respect of the Property or otherwise with the construction of the Property or the Condominium, with the amount of such increase being paid at the earlier of the Occupancy Date or the Closing Date or as soon thereafter as the amount of the said tax can be calculated and the Purchaser hereby charges the Property in favour of the Vendor, with such amount owing to be secured by a Vendor's lien, charge or caution on and against the Property. If any tax whether categorized as a business transfer tax, a modified HST, value added tax or any other type of tax whatsoever including without limitation HST is levied or charged in connection with the termination of this Agreement by reason of the Purchaser's default, the Purchaser shall be solely responsible for paying such taxes and/or reimbursing the Vendor therefor thereafter together with any penalties or interest imposed thereon, whether or not the legislation imposing same may place responsibility for payment thereof onto the Vendor.
28.	Schedule "A", 23(f)	If, before or after the Closing Date the Vendor is required to pay any lien, execution or encumbrance created or caused by the Purchaser in order to obtain a mortgage advance, the Purchaser shall reimburse the Vendor for all amounts and costs so paid and for the Vendor's full indemnity legal costs plus HST, with a minimum fee of \$500.00 plus HST.
29.	Schedule "A", 23(g)	The Purchaser shall be liable to the Vendor for all of the Vendor's costs, losses and expenses arising from any default of the Purchaser either before or after termination or completion, and whether there is termination or completion of this Agreement. If the Agreement is completed, the Vendor is entitled to collect such costs, losses and expenses on the Closing Date either by an adjustment to the Purchase Price or by registering a Vendor's Lien in priority to any and all mortgages. The Purchaser shall not be entitled to dispute the said costs, losses and expenses on the Closing Date but shall be limited to an action or to arbitration after the Closing Date.
30.	Schedule "A", 23(i)	Notwithstanding any other term of this Agreement, the Purchaser acknowledges and agrees that if any amount, payment and/or adjustment which is/are due and payable by the Purchaser to the Vendor or the Vendor's Solicitors pursuant to this Agreement are not made and/or paid on the date due, but are subsequently accepted by the Vendor, notwithstanding the Purchaser's default, such amount, payment and/or adjustment shall, until paid, bear interest at the rate equal to twelve percent (12%) per annum above the bank rate as defined in subsection 19(2) of O. Reg. 48-01 of the Act at the date of default.
31.	Schedule "A", 24(d)	The Vendor may deduct by way of set off from any money payable to the Purchaser pursuant to this paragraph those sums payable by the Purchaser by reason of any default by the Purchaser prior to the date of termination and any other sums that are payable by the Purchaser under this Agreement, including extras and upgrades and other fees or costs where the Purchaser's liability for such sums predates the date of termination. The Vendor may also deduct from any money payable by the Purchaser a reasonable allowance (but in any case not less than \$10,000) as a security deposit

Warranty Information for New Condominium Units

This information sheet provides a basic overview of the warranties and protections that come with your new condominium unit. This warranty is provided to you **by your builder** and backed by Tarion. For more detailed information, visit tarion.com and log into our online learning hub at www.tarion.com/learninghub

The Pre-Delivery Inspection (PDI)

Before you take occupancy of your unit, your builder is required to conduct a pre-delivery inspection, (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your unit, such as the ventilation and heating systems. It is also important because it gives you an opportunity to note items in your unit that are damaged, missing, incomplete, or not working properly before you take occupancy. This record is also very important as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by your occupancy and use.

The PDI is only one piece of evidence relating to damaged or incomplete items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking occupancy if they were missed on the PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder. There is more information about the PDI here: www.tarion.com/learninghub

Deposit Protection

The Condominium Act requires your builder to hold the deposit for your condominium unit in trust until the deposit is provided to the person entitled to it or the amount of your deposit is insured, as applicable. If your Agreement of Purchase and Sale is terminated by the builder, except as a result of the Purchaser's default, your deposit must be returned to you in full within 10 days. If your deposit is not returned, you are still protected by Tarion for the return of your deposit, or portion that has not yet been returned, up to \$20,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Occupancy Coverage

Your builder guarantees that your unit will be ready for you to move in by a date specified in the purchase agreement or a date that has been properly extended (if for certain reasons the original occupancy date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your occupancy date and provides up to a maximum of \$300,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code
- Protects against unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work and materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work and materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against violations of Ontario's Building Code that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Continued...

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via cpg.tarion.com.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty, and the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

The Common Elements Warranty

For most condominiums, warranty coverage also includes the shared areas, known as the common elements. The common elements warranty is separate from your unit warranty. It begins when the condominium is registered and, unlike your unit warranty, is managed by your condominium corporation. For warranty assistance related to items located outside of the boundaries of your unit, contact your property manager or condominium corporation's Board of Directors. To learn more about your unit and common element boundaries, you can refer to Schedule C of the proposed declaration in your disclosure statement or, if the condominium is registered, of the registered declaration.
